

AUBURN UNIVERSITY SYLLABUS

1. **Course Number:** ADED 8910
Course Title: Practicum in Adult Education
Credit Hours: 1-6 semester hours (May be repeated for credit not to exceed 6 hours.)
Prerequisites: Departmental approval
Corequisites: None

2. **Date Syllabus Prepared: 2010**

3. **Texts:**

Textbook and/or other resources (journals, research monographs, unpublished research, etc.) selected as appropriate to the individual practicum topic.

4. **Course Description:**

Provides experiences relating theory and practice, usually carried on simultaneously. The practicum is designed to provide performance-based experience related to the area of specialization. It is designed to provide students with cooperatively selected activities that will assist them in gaining expertise/experience within a selected area of theory and practice. Flexibility is allowed to provide input by students to identify meaningful problems/applications with regard to their current and future professional activities.

The approved project/product/research/activity effort associated with the practicum should entail a minimum of 30 hours of documented work or involvement for each one (1) hour of assigned credit.

5. **Course Objectives:**

The course is designed to:

- A. Provide experience closely relating theory and practice, usually carried on simultaneously.
- B. Provide various and flexible learning activities to afford the student the opportunity to achieve required or desired experience in an area of specialization.

Upon completion of this course, students will be able to:

- A. In consultation with the professor, select a topical area of study.
- B. Write a proposal to guide completion of the study. The proposal will include a description of the study, objectives, methodology to be used in completing the study or project (including resources), and evaluation.
- C. Prepare an annotated bibliography.
- D. Submit evidence of study/project completion, such as a finished product or paper.

6. **Course Content:**

- A. The course content is developed based upon the individual student's approved practicum proposal. (See attached guidelines for submitting practicum proposals.)
- B. The length of time expended in the course will depend on the learning experience selected and credit hours awarded for the activity.
- C. The student is expected to spend a minimum of 30 hours of documented involvement for each hour of credit. Some learning experiences will require more hours than others, depending upon the activity to be accomplished.

7. Course Requirements:

- A. Attend an orientation session with the professor.
- B. Identify a topic and obtain approval from the professor.
- C. Write a proposal describing the study/project and a plan for completing and evaluating the study/project.
- D. Prepare annotated bibliography using the *Publication Manual of the American Psychological Association* (5th ed.). (Begin list of references while writing the proposal and expand as work on the study/project progresses.)
- E. Schedule a minimum of six visits with the professor during the semester: (Checkpoints will be established for each meeting.)
 - 1) Orientation meeting during week 1
 - 2) Week 3 or week 4
 - 3) Week 6 or week 7
 - 4) Week 9 or week 10
 - 5) Week 11 or week 12
 - 6) Week 13 or week 14
- F. Submit paper or finished product: Week 15

The final grade for the course will be based on the following:

Final comprehensive paper or product	70 percent
Proposal	10 percent
Meeting with professor and checkpoints completed	10 percent
Annotated bibliography	<u>10 percent</u>
Total	100 percent

The course will be graded Satisfactory (S) or Unsatisfactory (U). A grade of 80-100 will be deemed satisfactory.

8. Class Policy Statements:

Students are expected to attend all scheduled meetings and be prepared for one-on-one discussion with the instructor. It is the student's responsibility to contact the instructor if assignment deadlines are not met. Student are responsible for initiating arrangements for missed work.

B. Body of Proposal

1. The problem, activity, or concern and its significance
Discuss the educational problem(s) involved in the specific area of the proposed practicum. Relate theory to practice.
2. Description of the problem, activity, or concern
Describe the features and major dimensions of the proposed problem, activity, area of study, or concern. Indicate and describe the variables associated with the proposed practicum.
3. Supporting evidence
Describe preliminary planning already accomplished, observations made, problems between theory and practice, and review of related literature which provide a rationale for the proposed objectives of the practicum.
4. Objectives
Write the specific objectives to be achieved by the proposed practicum. Each written objective should represent a variable or combination of variables (described in #2) affecting the evaluation of the practicum. Describe variables and explain how they are to be measured or evaluated.
5. Activity Design
Describe the operational plan and indicate why the plan is appropriate for achieving the stated objectives. Describe how you envision the final product and its implications and/or possible contributions.
6. Activity Management
Indicate in chronological order the events and the time frame for their completion.
7. Resources
Outline the resources needed to complete activities and objectives and explain how they are to be used.
8. Evaluation
A final paper/product is required. Propose an evaluation scheme for the final product which reflects the unique nature of the practicum. Evaluation scheme to be finalized by the professor.
