Texts or Major Resources:

A. This PHED course will utilize an on-line e-textbook (*McGraw-Hill Tracking Portal*). You must purchase a code from the bookstore or on-line, if you prefer. The *Tracking Portal* e-textbook contains all the course content, assessments and behavior change activities for the PHED course that you are teaching. IF YOUR COURSE does not require this e-textbook your instructor will notify you. Below are instructor and student instructions. Once you purchase the code, follow the directions provided below and register for your class by **Tuesday, August 30, 2011.**

Instructions for logging into the Tracking Portal:

1. Log onto http://mhlearningsolutions.com/Auburn_health/login.php
2. Click on student registration
3. Complete registration information. A course code will self-populate at the completion of registration.

On the left tool bar are 7 modules: Exercise Vocabulary, Health Benefits, The FITT principle, behavior change, preparing and recovering from exercise, my activity profile and conceptual core: **Team Sports - 18155 - PHED 1200 - 002**. Each module has an assessment at the end (with the exception of my activity profile) that will count towards your grade this semester. ****All**

portal assignments will be due at the mid-semester mark. This counts as 30% of your grade.**

5. The “My Activity Profile” tab allows you to set goals, log your exercise program and track your progress.

6. At the top of the page you will see section list, grades, add new course, profile and logout. Click on the grades tab to view your grades for the assessment. The profile contains your registration information. Please logout after each use.

Proper Attire/Equipment: Proper attire includes athletic shoes (baseball cleats), t-shirts, and athletic shorts/pants. “Street clothes” are not acceptable clothing and if worn will result in an absence and loss of points. If you have any question about what is acceptable please ask me.

Attendance: Attendance is required and will be taken at the start of every class, every day.

Participation: Participation in the daily activities is required. Proper attire is also required every day. Failure to wear proper attire, showing up more than 5 minutes after the start of class, behaving inappropriately, etc. will result in an inability to participate for the day, thus resulting in lost participation points.

Physical Activity and Wellness Program (PAWP) Attendance Policy

The material and experiences in this class are important and if you are not in class, you cannot take an active role as a student. Class attendance and appropriate participation is paramount to your success as a student. At the discretion of the instructor, students arriving tardy to class will lose 1% of their final grade per offense. Unexcused absences cannot be made up and will result in up to 3% deduction from the student’s final grade per absence. Once a student has accrued five (5) unexcused absences he/she will not be permitted to take the final examination and will receive a grade of FA (as stipulated by the Physical Activity and Wellness Program guidelines). Moreover, students who accrue eight (8) absences, (excused, unexcused or a combination of the two types) will not be permitted to take the final examination and will receive a grade of FA. If an unusual condition such as a serious illness results in this situation (8 total absences) students are encouraged to consult the AU Bulletin and/or an academic advisor in their college to determine if they meet university guidelines for requesting withdrawal from the course.

Excused absences will be treated as follows:

- a. Students must provide the instructor with a valid excuse upon returning to class (refer to Auburn University's policy concerning class attendance and excused/unexcused absences): and
- b. Make-up work developed and assigned at the discretion of the instructor must be completed within a week of the student returning to class.

If the student fails to follow these instructions the excused absence in question will be calculated as an unexcused absence. There are times when unforeseen circumstances will not allow you to attend class. Exceptions to this policy due to extreme circumstances are only permitted with the professor's timely knowledge and approval. Arrangements to make up missed assignments and examinations due to properly authorized excused absences shall be initiated by the student within a week of the excused absence as mandated by Auburn University. Again, the format of any make-up work/assignments will be at the instructor's discretion. Finally, the instructor will address all issues concerning absences at his/her discretion. Students are encouraged to refer to Auburn University's policies concerning attendance, absences, academic honesty, and make-up work as found in the *Auburn University Student Policy eHandbook*.
