

**Auburn University
Department of Kinesiology
KINE 2251
Spring 2013**

Instructor: Kara Palmer

Email: kkp0005@auburn.edu

Office: Kinesiology Buildign, 035

Office Hours: By Appointment

Course Title: KINE 2251 Laboratory in Motor Development during School Years

Credit Hours: 1.0

Prerequisites & Corequisites: KINE 2250

Course Meeting Time and Place:

2251.001 Monday 2:15-3:55

2255.002 Tuesday 2:15-3:55

2251.004 Thursday 2:15-3:55

2251.008 Monday 3:45-5:25

2251.009 Tuesday 3:45-5:25

2251.011 Thursday 3:45-5:25

Please note: You must attend the lab section you are registered for. You may not choose a different time. If you do not attend your registered section you will be marked absent for the day with a total deduction of 15 points (10 for attendance, 5 for participation).

Texts or Major Resources: No textbook required, assigned readings will be provided.

Course Description: Student Students will be responsible for designing and implementing age appropriate motor lesson plans.

Course Objectives:

1. To gain practical experience in the development of motor skills and perceptual motor development through teaching in a service learning experience.
2. To develop "intangible" skills such as empathy, personal values, beliefs, awareness, self-esteem, and social responsibility through caring for others.
3. To become aware and sensitive to the needs of diverse populations through community service work.
4. To engage in self-examination including personal development, career goals, and community awareness.

Course Topics:

1. Introduction to the Pre-School motor needs (National Guidelines); What do we consider?
2. What are locomotor and object control motor skills?
3. Designing developmentally appropriate activities & understanding the population

Create a positive and motivating learning environment. Children learn better when they are motivated. Expressions of enthusiasm are vital to an effective program. Reinforcement is also very important for these children. We will provide you with a number of motivational strategies to use during the instructional time. It is *very important* that you implement these strategies when asked.

Encourage problem-solving skills. Infants and children should be aware of how to achieve specific goals through movement **exploration**.

Maintain personal space. Many young children are very tactile. Please remind them to respect the personal space of others, including yours.

Attendance/Class Participation Policy

- **Full attendance and participation are required in order to receive a passing grade.**
- For each unexcused absence; 5 points will be deducted from your attendance grade.
- For each unexcused absence; 5 points will be deducted from your participation grade.
- Appropriate verification and a copy of the excused absences must be provided to the instructor within one week of the absence.
- Arriving to Tiger Cubs Fit Club late (is equal to 2-5 minutes after the beginning of the class time) will result in 2.5 points being deducted from your grade.
- Leaving Tiger Cubs Fit Club early will result in a 2.5 points reduction in your grade.

- **STUDENTS NEED to be ON TIME and PARTICIPATE for the ENTIRE CLASS PERIOD!!**

<ul style="list-style-type: none">▪ If you are unable to attend for any reason or you are going to be late, please email me ASAP
--

- All absences **MUST BE MADE UP**. Excused absences will enable you to earn back the points deducted for your absences. Make-up material must be completed in within 1 weeks of the date assigned.
- The make-up should be rescheduled in another time other than the assigned class time (not during class time). You are not allowed to make-up missed class time without first getting approval and authorization from the instructor.

ALL STUDENTS ARE REQUIRED TO KEEP TRACK OF THEIR ABSENCES

Classroom Expectations

- Students are required to attend class at their respective sites. Students must check-in immediately upon arrival and check-out prior to departure.
- You will be evaluated on: (1) appropriateness of motor activities/play; (2) interactions with children; (3) motivation; (4) commitment to responsibilities.
- Student responsibilities will vary according to program needs. The students are responsible to help with any task instructed of them.
- Professionalism: As faculty, staff, and students interact in professional settings, they are expected to demonstrate professional behaviors as defined in the College's conceptual framework. These professional commitments or dispositions are (a) engaged in responsible and ethical professional practices, (b) contributed to collaborative learning communities, (c) demonstrated a commitment to diversity, and (d) modeled and nurtured intellectual vitality.
- **Dress Code:** Students are required to have appropriate dress at all times. No article of clothing bearing a logo referencing alcohol, illegal substance, profanity or nudity will be permitted. No tank tops are allowed. All shorts must be no more than two inches above the knee. Only tennis or running shoes are permitted; flip-flops may not be worn on site. If a student fails to come dressed appropriately for class, a failure to participate will be marked and and 10 point deduction will apply.

- **Health Concerns:** Due to the children's health and wellbeing, a student may not smoke directly prior to class. Please do not wear excessive perfume or cologne. No food or drink (besides water) is allowed in class.

Grading Policy

Grades will be based on the percentage of points earned from the total points offered. An "S" will be awarded for grades 80% and higher, "U" for 70%-79.9% and an "F" for below 70%.

Graded work will include:

Syllabus Quiz	10 Points
Attendance	75 Points
Daily Participation	75 Points
Lesson Plans	40 Points (10 points each)

Syllabus Quiz: A 10 point quiz covering the material in this syllabus. Students will have 12 minutes to complete the quiz. The quiz can be completed one time.

Attendance: Participants will receive 5 points for each day they attend. Failure to attend class at the scheduled time will result in an automatic 5 point deduction.

Participation: Participants will receive 5 participation points for each day. Failure to participate in a professional, engaging manner will result in a 5 point deduction.

Lesson Plan (LP): Students will be responsible for four different lesson plans throughout the semester. Students will work in an assigned pair for each lesson plan. Lesson plans should be filled out according to the worksheet posted online. Lesson plans are to be submitted on Canvas one week prior to their due date. Revisions and modifications (if needed) will be given to students at least two days before the lesson plan is performed. Each lesson plan should focus on the assigned motor skill or activity. See the schedule below for details on due dates and lesson plan focus.

Article Assignment: Student will need to find one scientific, peer reviewed article focusing on the importance of motor skill in either a preschool or school aged population. After finding and reading the article, students will turn in a brief synopsis of the article. Synopsis need to include: APA citation, Purpose, Methods (subjects, measures and brief timeline), Results, and Application of results. Synopsis can be written as bullet points or as a paragraph. An example and further instructions can be found on Canvas. Students may work alone or in a pair.

Week	Dates	Assignments/ Notes	Group will submit LP	Group that will perform LP	Section: 001, 002, 004	Section: 008, 009, 011
1	August 21-23	NO CLASS				
2	August 26- 30	Class as Scheduled				
3	September 2-6	NO CLASS MONDAY (Labor Day)	A			
4	September 9-13		B	A	Locomotor	Object Control
5	September 16-20		C	B	Object Control	Locomotor
6	September 23-27		A	C	Locomotor	Object Control
7	September 30-October 4		B	A	Object Control	Locomotor
8	October 7-11		C	B	Locomotor	Object Control
9	October 14-18		A	C	Object Control	Locomotor
10	October 21-25		B	A	Locomotor	Object Control
11	October 28-November 1		C	B	Object Control	Locomotor
12	November 4-8		A	C	Locomotor	Object Control
13	November 11-15		B	A	Object Control	Locomotor
14	November 18-22		C	B	Locomotor	Object Control
15	November 25-29	NO CLASS; (Thanksgiving)				
16	December 2-6	Last week of class	NA	C	Object Control	Locomotor

Example:

On Monday, September 9th, Section 001 Group A will do a lesson focusing on locomotor skill development; Section 008 Group A will do a lesson focusing on object control skill development.

Course evaluations: AU eValuate's Summer semester evaluation will be available online and dates will be announced in class.

Academic Honesty: The University Academic Honesty Code will apply to this course. Please refer to the Student Policy eHandbook; the URL is www.auburn.edu/studentpolicies.

Statement of Student Accommodation

Students who need accommodations are asked to electronically submit their approved accommodations through AU Access and to arrange a meeting during office hours the first week of classes, or as soon as possible if accommodations are needed immediately. If you have a conflict with my office hours, an alternate time can be arranged. To set up this meeting, please contact me by e-mail. If you have not established accommodations through the Office of Accessibility, but need accommodations, make an appointment with the Office of Accessibility, 1228 Haley Center, 844-2096 (V/TT).

KINE 2251 Guidelines

1. Let the children initiate play (Do not hit the children on the head with the equipment).
2. Interact with the children (Do not socialize with your friends or other classmates).
3. If you need to discuss something with me, schedule a meeting during my office hours (While at ADC my main responsibility is to run the program. Please do not distract me with issues that can be discussed outside of class).
4. Be prompt (on time).
5. Do not leave early.
6. Dress appropriately (Wear comfortable clothes that can get sweaty and dirty and sneakers- the playground is covered in sand. Do not wear profane shirts, shirts that show your torso, skirts, or pants that reveal too much torso and leg.)
7. Please do not smoke prior to or during the program. Many children have asthma and the smell affects them adversely. In addition, do not overload on perfumes and colognes. Please do not show up filthy, take a bath.
8. Be prepared for any weather! If it is cold outside or may become cold outside, bring a sweatshirt or jacket. If it is hot outside, wear shorts and a short-sleeved shirt- we will be outside in the sun. **If it is raining, THE PROGRAM WILL RUN indoors.** It is usually hot inside, wear a short-sleeved shirt.
9. Wear sunscreen.
10. Have fun and smile. This is the only college course you will ever take where all you have to do is show up on time, stay the entire class period, and **PLAY WITH KIDS!**
11. Students are encouraged to refer to Auburn University's policies concerning attendance, absences, academic honesty, and make-up work as found in the Auburn Bulletin.

Honesty Code:

The University Academic Honesty Code and the Tiger Cub Rules and Regulations pertaining to Cheating will apply to this class.

Behavioral Problems:

Please refer to Miss Kara, Dr. Robinson, Dr. Rudisill or Ms. Breslin for any situations involving behavioral problems with the children. Time-out may be necessary, if the child refuses to follow instructions and/or cooperate.
