Attendance/Tardiness:

PHYSICAL ACTIVITY AND WELLNESS PROGRAM ATTENDANCE POLICY...The material and experience in this class are important and if you are not in class, you cannot take an active role as a student. Class attendance and appropriate participation is paramount to your success as a student. Participation is defined as, but not limited to, "fully engaging in the course content and activities at a level that is deemed appropriate by the instructor." Failure to appropriately participate in the course content and activities can result in a deduction of points from a student's overall course grade at the discretion of the instructor. Moreover, students arriving tardy to class will lose 1% of their final grade per offence. Unexcused absences cannot be made up and will result in a 3% deduction from the student's final grade. Once a student has accrued five (5) unexcused absences he/she will not be permitted to take the final examination and will receive a grade of FA. Students who accrue eight (8) absences, (excused, unexcused or a combination of the two types) will not be permitted to take the final examination and will receive a grade of FA. If an unusual condition such as a serious illness results in this situation (8 total absences) students are encouraged to consult the AU Bulletin and/or an academic advisor in their college to determine if they meet university guidelines for requesting withdrawal from the course.

- No excuse will be taken that is ten (10) calendar days old (inclusive of Weekend, Canceled Class Days & Holidays). If a student is absent, there must be a legitimate excuse to "back up" your absence.
- All original excuses (no copies) must be given to the Instructor within the ten (10) day window. If you need the original excuse...the Instructor will run a copy after class.
- Attendance will be taken at the end of class. Each student will be responsible for signing their name on the attendance roll provided by the instructor. Class may be split up on some days using different areas of the Auburn Links practice facility...if this is the case, make sure you find the instructor first, then sign the attendance sheet BEFORE you leave!
- Class will begin 15 minutes after the official start time (warm up and stretch time). If you arrive 16 minutes late, you will be counted tardy for this day. This includes when class moves to the back of the range. 1% will be deducted from final grade for each tardy.
- Any student arriving twenty one (21) minutes late will be counted absent for that day.
- Students must decide if their schedule conflicts with the time parameters set forth in this class.
- Obviously this is an "off" campus class, students taking this class need to have a backup plan for transportation. Car problems, red lights, tickets or wrecks will not be valid excuses for absences or tardiness.
