Physical Activity and Wellness Program (PAWP) Attendance Policy:

The material and experiences in this class are important and if you are not in class, you cannot take an active role as a student. Class attendance* and appropriate participation* is paramount to your success as a student. At the discretion of the instructor, students arriving tardy* to class will lose 1% of their final grade **per offense**. Unexcused absences cannot be made up and will result in up to 3% deduction from the student's final grade **per**

absence. Once a student has accrued **five (5) unexcused absences** he/she will not be permitted to take the final examination and will receive a grade of FA (as stipulated by the Physical Activity and Wellness Program guidelines). Moreover, students who accrue **eight (8) absences**, (excused, unexcused or a combination of the two types) will not be permitted to take the final examination and will receive a grade of FA. If an unusual condition such as a serious illness results in this situation (**8 total absences**) students are encouraged to consult the AU Bulletin and/or an academic advisor in their college to determine if they meet university guidelines for requesting withdrawal from the course.

Excused absences will be treated as follows:

- a. Students must provide the instructor with a valid excuse upon returning to class (refer to Auburn University's policy concerning class attendance and excused/unexcused absences): and
- b. Make-up work developed and assigned at the discretion of the instructor must be completed within a week of the student returning to class.

If the student fails to follow these instructions the excused absence in question will be calculated as an unexcused absence. There are times when unforeseen circumstances will not allow you to attend class. Exceptions to this policy due to extreme circumstances are only permitted with the instructor's timely knowledge and approval. Arrangements to make up missed assignments and examinations due to properly authorized excused absences shall be initiated by the student within a week of the excused absence as mandated by Auburn University. Again, the format of any make-up work/assignments will be at the instructor's discretion. Finally, the instructor will address all issues concerning absences at his/her discretion. Students are encouraged to refer to Auburn University's policies concerning attendance, absences, academic honesty, and make-up work as found in the Auburn University Student Policy eHandbook. The URL is www.auburn.edu/studentpolicies.

*Instructors Notes:

Attendance will be taken **every day** without exception. On occasion when the instructor is away (e.g., at a conference) another instructor will teach and **attendance will still be taken**.

Tardiness is defined as showing up to class more than **15 minutes late**. It is important that distractions (due to student tardiness) are limited, and all students perform a complete warm-up as well as watch movement demonstrations to reduce the chances of injury during exercise.

Appropriate participation is defined as sufficient preparation (appropriate clothing, water, etc.) and engaging in the class activity to the satisfaction of the instructor. **Make it worth your while!**

Flat athletic shoes (preferably stable, cushioned running shoes with non-marking sole) and athletic clothing (active shorts, t-shirts, sweats, etc.) must be worn at all times. Street clothes (jeans, dresses, hats, etc.), excessively revealing attire, clothing with rivets or buckles, heavy jewelry, shoes with open toes or heels, boots, etc. are unacceptable. The use of electronic devices (e.g. cell phones) is also prohibited during

class time. It is **strongly recommended** that students bring bottled water to drink during class as there will be no “water breaks” to leave the room during the activity.

Students who fail to meet the aforementioned requirements will not be allowed to participate and **will lose participation points** resulting in a lowering of the overall grade.

Student Accommodations:

Students who need accommodations are asked to electronically submit their approved accommodations through AU Access and to arrange a meeting during office hours the first week of classes, or as soon as possible if accommodations are needed immediately. If you have a conflict with my office hours, an alternate time can be arranged. To set up this meeting, please contact me by e-mail. If you have not established accommodations through the Office of Accessibility, but need accommodations, make an appointment with the Office of Accessibility, 1228 Haley Center, 844-2096 (V/TT).

Medical Considerations:

If you have a condition that may affect your participation in this class (diabetes, epilepsy, heart murmurs, knee or back injuries, etc.) please notify the instructor promptly in private. Students will be required to complete a Health Status Form and a Health Referral Form if you have any known health problems.

Class Policy Statements:

Excused absences: Students are granted excused absences from class for the following reasons: illness of the student or serious illness of a member of the student's immediate family, the death of a member of the student's immediate family, trips for student organizations sponsored by an academic unit, trips for university classes, trips for participation in intercollegiate athletic events, subpoena for a court appearance, and religious holidays. Students who wish to have an excused absence from class for any other reason must contact the instructor in advance of the absence to request permission. The instructor will weigh the merits of the request and render a decision. When feasible, the student must notify the instructor prior to the occurrence of any excused absences, but in no case shall such notification occur more than one week after the absence. Appropriate documentation for all excused absences is required.

Make-Up Policy: Arrangement to make up a missed major assignment due to properly authorized excused absences must be initiated by the student within one week of the end of

the period of the excused absences(s). Except in extraordinary circumstance, no make-up exams will be arranged during the last three days before the final exam period begins.

Academic Honesty Policy: All portions of the Auburn University student Academic Honesty Code (Title 1.1) found in the Student Policy eHandbook will apply to university courses. All academic honesty violations or alleged violations of the SGA Code of Laws will be reported to the Office of the Provost, which will then refer the case to the Academic Honesty Committee.

Course contingency: If normal class and/or lab activities are disrupted due to illness, emergency, or crisis situation, the syllabus and other course plans and assignments may be modified to allow completion of the course. If this occurs, an addendum to your syllabus and/or course assignments will replace the original materials.

**The above content, schedule and procedures in this course are subject to change at the discretion of the instructor.*
