Participation and attendance is essential for success in this course and consists of the majority of the points available. Attendance and participation go hand in hand since you must be present in order to participate. Only unexcused absences will count against your grade for both attendance and participation. Excused absences will not count against your attendance or participation. Participation points will be given based on you coming to class in appropriate and modest work-out clothing ready to exercise to the best of your ability. There are 25 class days for this course and there will be one point available for attendance and one point available for participation each class period. There will be NO make-up opportunities for this course; however, there may be opportunity for extra credit. Please see the AU official class policy statements.

*The material and experiences in this class are important and if you are not in class, you cannot take an active role as a student. Class attendance and appropriate participation is paramount to your success as a student. At the discretion of the instructor, students arriving tardy to class will lose 1% of their final grade per offense. Unexcused absences cannot be made up and will result in up to 3% deduction from the student's final grade per absence. Once a student has accrued five (5) unexcused absences he/she will not be permitted to take the final examination and will receive a grade of FA (as stipulated by the Physical Activity and Wellness Program guidelines). Moreover, students who accrue eight (8) absences, (excused, unexcused or a combination of the two types) will not be permitted to take the final examination and will receive a grade of FA. If an unusual condition such as a serious illness results in this situation (8 total absences) students are encouraged to consult the AU Bulletin and/or an academic advisor in their college to determine if they meet university guidelines for requesting withdrawal from the course.*

*Excused absences will be treated as follows:*

- a. Students must provide the instructor with a valid excuse upon returning to class (refer to Auburn University's policy concerning class attendance and excused/unexcused absences); and*
- b. Make-up work developed and assigned at the discretion of the instructor must be completed within a week of the student returning to class.*

*If the student fails to follow these instructions the excused absence in question will be calculated as an unexcused absence. There are times when unforeseen circumstances will not allow you to attend class. Exceptions to this policy due to extreme circumstances are only permitted with the professor's timely knowledge and approval. Arrangements to make up missed assignments and examinations due to properly authorized excused absences shall be initiated by the student within a week of the excused absence as mandated by Auburn University. Again, the format of any make-up work/assignments will be at the instructor's discretion. Finally, the instructor will address all issues concerning absences at his/her discretion. Students are encouraged to refer to Auburn University's policies concerning attendance, absences, academic honesty, and make-up work as found in the Auburn University Student Policy eHandbook. The URL is [www.auburn.edu/studentpolicies](http://www.auburn.edu/studentpolicies).*

*"Students who need accommodations are asked to electronically submit their approved accommodations through AU Access and to arrange a meeting during office hours the first week of classes, or as soon as possible if accommodations are needed immediately. If you have a conflict with my office hours, an alternate time can be arranged. To set up this meeting, please contact me by e-mail. If you have not established accommodations through the Office of Accessibility, but need accommodations, make an appointment with the Office of Accessibility, 1228 Haley Center, 844-2096 (V/TT)."*
