Dear **W Gary**,

Thank you for your submission for consideration for the 15th International Congress on Mathematics Education being held in Sydney, Australia from 7 to 14 July 2024.

On behalf of the Topic Study Group team, we are delighted to inform you that your submission, as detailed below, has been **accepted with minor improvements recommended**, for inclusion in the Congress program. You will need to submit your revised paper by 16 February 2024.

Topic Study Group: **Strand B - TSG 4.2: Preservice mathematics teacher education for the secondary level**

Paper ID: **1372**

Paper Title: **Responding to Challenges in Recruiting Secondary Mathematics Teacher Candidates**

An important consequence of this acceptance is that your paper will be published in the proceedings of the ICME-15 Topic Study Groups. Publication of your paper will be subject to your approval and as indicated by you when initially uploading your submission for review. The published proceedings of papers and posters will be open access, have an ISBN, and be downloadable as a PDF. Copyright of papers and posters included in these proceedings will be retained with individual authors.

A feedback report will be emailed to you separately from this notification communication from the Congress Secretariat. Please consider the feedback on your submission and update the paper accordingly. Your paper will then need to be re-uploaded into the submission portal.

Once you have amended your submission based on the TSG team feedback you may re-upload this to the TSG portal, detailed below:

1. Login to the Topic Study Group portal: <https://icme15-c10000.eorganiser.com.au/index.php?r=site/login>
2. Select the submission that requires to be amended. This should open your submission details.
3. Click "Edit". From there you will be able to re-upload your presentation.

All accepted authors are required to register and pay to attend the Congress by **Sunday 31 March 2024**. This qualifies you for the early bird discount. Any author not registered by this date will have consideration of their paper removed from the program. To register for the Congress, please [click here](#).

The support you have shown for the Congress is greatly appreciated and we look forward to your involvement in the program. Should you have any questions regarding any of the above information, please do not hesitate to contact us.

Kind regards,

ICME-15 Congress TSG team.
