Hello,

I hope this message finds you well.

I am writing to you as one of the applicants for APME who suggested that they would like their submission to be considered for a longer (1-hour) slot rather than the standard presentation format. I am delighted to let you know that your proposal was accepted so we would like to invite you to contribute your work in one of the longer sessions. This means that you will have 45 minutes for your presentation, followed by ten minutes of questions. The final five minutes of the 1-hour session is to facilitate changeover time between presenters.

Thank you for contributing to the conference and for offering a more in-depth version of your work for this format.

Wishing you all the best and looking forward to seeing you in July.

Zack
