

AUBURN
2025
COMMENCEMENT

CONGRATULATIONS

To the Class of 2025,

On behalf of the Auburn University faculty, staff and administration, I offer my sincere congratulations as you reach this incredible milestone. Today, you embody the essence of *The Auburn Creed* — showcasing your deep belief in the power of education and the persistence it requires to earn a degree from our world-class institution.

Your time here has been nothing less than transformative — not only academically but also personally and socially. You've grown through rigorous coursework, late-night study sessions, participation in campus traditions and the meaningful relationships that have enriched your journey.

Auburn was built on its land-grant commitment to research, teaching and extension. Our core mission has always been to empower individuals with knowledge that opens doors to opportunity, strengthens communities and improves lives.

A degree from our university symbolizes excellence and reflects hard work and dedication. However, you leave Auburn with more than just a degree. You leave equipped with knowledge, skills and the resilience to lead in your chosen field. I've seen the lasting impact an Auburn degree can have — not just on our graduates, but on the people and places where they choose to live. I encourage you to build fulfilling lives and careers while also making meaningful contributions to your communities. This is the kind of influence that truly matters. Carry with you the lessons learned on our campus and let it guide your path. The world is waiting for your ideas, leadership and passion.

Today, you join a global network of more than 338,000 Auburn alumni. Know that we are celebrating with you, and we'll be cheering you on in all your future endeavors.

Congratulations, and War Eagle!

ALMA MATER AND NATIONAL ANTHEM

ALMA MATER

On the rolling plains of Dixie
'Neath the sun kissed sky
Proudly stands our Alma Mater
Banners high.

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

Composed by Bill Wood, 1924
Word Revision, Emma O'Rear Foy, 1960

THE STAR-SPANGLED BANNER

O say can you see,
by the dawn's early light,
What so proudly we hail'd
at the twilight's last gleaming,
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watch'd,
were so gallantly streaming?
And the rocket's red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O say does that star-spangled
banner yet wave
O'er the land of the free
and the home of the brave?

Music by John Stafford Smith, 1780
Lyrics by Francis Scott Key, 1814
Adopted as the national anthem of the United States, 1931

COMMENCEMENT SPEAKERS

SARAH B. NEWTON

Auburn University Trustee Emerita

Sarah Barber Newton, a 1974 graduate of Auburn University's College of Education, has devoted more than four decades to advancing education and strengthening communities across Alabama. Her career began in the classroom and grew to include extensive leadership in both K-12 and higher education. As principal of Fayette Elementary School, a Title I school in Fayette, Alabama, she led efforts to enhance academic programs, support faculty development and expand opportunities for underserved students, work that continues to positively influence the region she calls home.

Newton's impact extends well beyond education. A longtime advocate for community and economic development in West Alabama, she served as president of the Fayette County Community Development Corporation and as a member of the Fayette Economic Advisory Board. In these roles, she helped secure grants, strengthen infrastructure and support long-term initiatives that improved quality of life for residents throughout Fayette County.

Appointed in 2004 to represent Alabama's Seventh District, Newton served two consecutive terms on the Auburn University Board of Trustees, chairing the Academic Affairs Committee and collaborating closely with university leadership to advance academic excellence. Her influence also extended regionally through her work with the Southern Association of Colleges and Schools Commission on Colleges, supporting accreditation efforts that strengthened institutional quality across the Southeast. Following her service on the board, Newton helped establish Auburn's nationally recognized EAGLES program (Education to Accomplish Growth in Life Experiences for Success), a postsecondary transition initiative for students with intellectual disabilities. She later co-founded The EAGLES Foundation, which has raised more than \$2 million to support student scholarships and expand the program's reach.

In addition to her continued engagement with the College of Education, Newton serves as a consultant in the College of Human Sciences, working with the Department of Human Development and Family Science and the Horst Schulze School of Hospitality Management to broaden educational access through innovative partnerships. A lifetime member of the Auburn Alumni Association, she holds two master's degrees from Auburn in education administration and leadership.

JAMES SANFORD

James (Jimmy) Hopson Sanford is the former chairman of the Birmingham Branch of the Federal Reserve Bank of Atlanta, the National Cotton Council of America in Memphis, and a former board director of Alabama Power Company. As a student, Sanford was Commander of Sigma Nu Fraternity and graduated from Auburn University in 1968 with a bachelor's degree in business administration and in 1971 with a master of science in economics with his thesis accepted by the Ralph Brown Draughon Library. In 2021, the Edward Via College of Osteopathic Medicine (VCOM) awarded him the Doctor of Humanities and Letters.

Jimmy serves the following organizations: Chairperson of HOME Place Farms, Choice Cotton, Alabama Cotton Commission, EDPA Foundation and Auburn Technology and Research Foundation; President of Autauga Quality Cotton Association and Legends Properties; Vice Chairperson of Judson College and the Judson Foundation; and Director of VCOM. Also as a board director, he serves on a number of not for profit civic and industry organizations.

He was appointed to the Board of Trustees by Governor Robert Bentley and confirmed by the Alabama Senate on March 15, 2012, to represent the 4th District. His first term expired on March 14, 2019, and he was reappointed to a second term by Governor Kay Ivey and confirmed by the Alabama Senate on February 3, 2021. His second term will expire on February 2, 2028.

He is married to Dorothy (Dot) Hardage Sanford. They have three children who are Auburn graduates: Susan Jones, Catherine Porter (married to Walt Porter), and Will Sanford (married to Anne Womack). They also have three grandchildren: Annabeth Jones (Auburn Class of 2026), Mack Sanford, and Hardy Sanford.

AUBURN UNIVERSITY COMMENCEMENT SPEAKER

PROVOST VINI NATHAN

Dr. Vini Nathan began serving as Auburn University's provost and senior vice president for academic affairs in May 2023 after serving for a year as interim provost. Previously, Nathan was the dean and McWhorter Chair of the College of Architecture, Design and Construction from 2011-2022. She is also a tenured professor of Architecture and Interior Architecture and is a Senior Fellow of the Design Futures Council.

As provost, Nathan is the university's chief academic officer and oversees the university's academic and outreach missions. Nathan works with faculty, staff, students, alumni and other stakeholders to ensure the university maintains the highest possible outreach and teaching and learning programs. In carrying out these responsibilities, she works directly with the deans of the 12 colleges, the university's shared governance groups, university administrators, student leaders and other Provost's Office team members. In addition, Nathan oversees faculty matters, academic issues and policies, accreditation, strategic planning, educational services and resources, faculty development and outreach and is responsible for the university's tenure and promotion process.

Prior to Auburn, Nathan held the position of dean and professor in the School of Architecture at Thomas Jefferson University. As an architect working for Walker Group/CNI in New York, Nathan collaborated with Cesar Pelli Associates to design the Kuala Lumpur City Center (Petronas Towers) in Malaysia. Nathan holds a doctor of philosophy in Architecture from the University of Michigan, a master's degree in Interior Design from Virginia Tech, and a bachelor's degree in Architecture from Anna University.

FALL COMMENCEMENT STUDENT SINGERS

MARGARET ANN BURNHAM

Originally from Tallahassee, Alabama, Margaret Ann Burnham is pursuing a Bachelor of Music Education – Vocal with a minor

in Human Development and Family Science. Her Auburn experience has been shaped by faculty mentors and performance opportunities that strengthened her musicianship and teaching aspirations. She performs with AU Singers, Chamber Choir, Women's Chorus, and Opera Workshop, ensembles that allowed her to refine her skills and build lasting connections. After completing her degree next fall, Margaret Ann plans to become a music educator and hopes to eventually pursue a master's degree in music education to further expand her impact on students and their musical growth.

LAUREN FULLER

A native of LaFayette, Alabama, Lauren Fuller is pursuing a Bachelor of Music Education – Vocal with a minor in counseling. She

first discovered her love for music at Southern Union State Community College, where the Performing Arts Department helped shape her path toward teaching. At Auburn, Lauren sings with the Chamber Choir, Women's Chorus, and AU Singers, experiences that continue to deepen her passion for choral music. She hopes to teach after graduation and one day return to Southern Union to work with the Southern Union Sound Choir.

MEGAN WARHURST

From Oxford, Alabama, Megan Warhurst is pursuing a Bachelor of Music Education – Vocal. She chose Auburn because it

offered the supportive environment and opportunities she hoped for as an aspiring educator. Megan believes deeply in the power of music to build confidence, connection, and community, a philosophy she carries into her work as a performer and leader. Her involvement in AU Singers, Chamber Choir, Women's Chorus, Sigma Sigma Sigma Sorority, and Opera Workshop has helped her grow as both a musician and teacher. After graduation, she plans to teach music and inspire students to develop their creativity and a lifelong appreciation for the arts.

Chu Zhang..... Tangshan, China
 “3D-Printed Structures for Bone Fracture and Wound Healing Applications,” directed by Robert Arnold and R. Jayachandra Babu, Interdepartmental Pharmacy.

Xiaodan Zhan..... Haikou, China
 “State Nonpoint Source Commitment Index: Development, Determinants, and Policy Correlations,” directed by John Morris and Joseph Aistrup, Department of Political Science.

Ye Zhu..... Auburn, Alabama
 “Federated Reinforcement Learning across Heterogeneous Environments,” directed by Xiaowen Gong, Department of Electrical and Computer Engineering.

Master of Industrial Design

Sheridan Kromann Somerville, Alabama
 “An Approach for Applying Product Semantics and Human Factors Engineering Principles in Order to Assist Users in Coping With Novelty in Products,” directed by Christopher Arnold, School of Industrial and Graphic Design.

Master of Science

Deekshya Adhikari Kathmandu, Nepal
 “Role of Calcium on the Virulence of the Bacterial Plant Pathogen *Xylella Fastidiosa*,” directed by Leonardo De La Fuente, Department of Entomology and Plant Pathology.

Mad Sayem Ahmed Rajshahi, Bangladesh
 “Relative Sensitivity of Cyanobacteria to Copper Herbicides and Effectiveness of Utilizing Copper Bioavailability Approach to Treat Harmful Algal Bloom in Aquaculture System,” directed by Tham Hoang, School of Fisheries, Aquaculture, and Aquatic Sciences.

Ishini A. Appuhami Marawila, Sri Lanka
 “Effects of Phytogetic Supplementation and Probiotics on Growth Performance, Health, Immunity, and Microbiome of Cultured Fish and Shrimp,” directed by Timothy Bruce and Allen Davis, School of Fisheries, Aquaculture, and Aquatic Sciences.

Paulo Henrique Amadeu de Azevedo Jaboticabal, Brazil
 “Growth and Nitrogen Utilization of Nursery Pigs Fed Reduced Crude Protein Diets With Benzoic Acid Supplementation,” directed by Marko Rudar, Department of Animal Sciences.

Jacinta Amoakoa-Djan Atebubu, Ghana,
 “Experimentally Evaluating the Properties of De Novo-Designed Ideal Therapeutic Protein Scaffold,” directed by Robert Pantazes, Department of Chemical Engineering.

DuBois Barnes Bryan, Texas
 “Illegitimate Tasks and Negative Spillover: The Roles of Positive Work Reflection and Job Security,” directed by Gargi Sawhney, Department of Psychological Sciences.

Ricardo Josue Barrazueta Cordero Pasaje, Ecuador
 “Effect of Storage on the Physicochemical and Textural Quality of Pork Chops and Chicken Breast,” directed by Jason Sawyer, Department of Animal Sciences.

John Beasley Screven, Georgia
 “Evaluation of Different Soil and Crop Spatial Properties for Delineating Management Zones for Precision Soil Sampling,” directed by Simerjeet Virk, Department of Biosystems Engineering and Audrey Gamble, Department of Crop, Soil, and Environmental Sciences.

Victoria Anne Beck Gadsden, Alabama
 “Synthesis and Characterization of Isocyanide-Terminated Self-Assembled Monolayers on Gold,” directed by Ethan Hill, Department of Chemistry and Biochemistry.

Ileana Maria Berganza Portillo Jalapa, Guatemala
 “Physicochemical, Textural, Instrumental Color, and Sensory Evaluation Characteristics of Insect-based, Jerky-style Pet Treats With Different Ratios of Crickets (*Gryllodes Sigillatus*) and Chicken Liver,” directed by Jessica Starkey, Department of Poultry Science.

Madison Rae Berger Normalville, Pennsylvania
 “Impact of Feeding Regimens on Reproductive Development and Performance in Female and Male Broiler Breeders,” directed by Charlene Hanlon, Department of Poultry Science.

Tristan Cody Brown Wadley, Alabama
 “Multi-omics Analyses Investigate Divergent Fertility Outcomes in Crossbred Beef Heifers,” directed by Welison Diniz, Department of Animal Sciences.

Jackson Cho Brentwood, Tennessee
 “An Investigation into the Effects of Edge Geometries on the Propagation of Fracture in Soda Lime Glass,” directed by Hareesh Tippur, Department of Mechanical Engineering.

Diego Alejandro Cuartas Marulanda Medellin, Colombia
 “Understanding the Fundamental Influence of Wood Extractives on Wood Adhesion,” directed by Maria Peresin, College of Forestry, Wildlife and Environment.

Bibek Dabargainya Dang, Nepal
 “Development of a qPCR Assay for Detection and Quantification of *Paenibacillus Riograndensis* DH44 Strain and the Effect of Mid-season Drought on Peanut Fungal Microbiome,” directed by Zachary Noel, Department of Entomology and Plant Pathology.

Brian De La Torre Dalton, Georgia
 “Examining Tagging Options and Survival Estimates for Two Riffle Beetles in a Conservation Hatchery,” directed by Shannon Brewer, School of Fisheries, Aquaculture, and Aquatic Sciences.

Evan Ellison Huntsville, Alabama
 “Lane Change Motion Planning for a Tractor-Trailer with Model Uncertainty,” directed by David Bevely, Department of Mechanical Engineering.

Landon Bryant Erbrick Gardendale, Alabama
 “Cutting Edge Technologies: Evaluating ROI and Safety of Autonomous Mowers,” directed by Paul Bartley, Department of Horticulture.

Jordan Ashley Everett Auburn, Alabama
 “From Small Talk to Smart Talk: Development of an AI Chatbot to Infer Intellect and Cognitive Ability,” directed by Jinyan Fan, Department of Psychological Sciences.

Stephen C. Fitch Colorado Springs, Colorado
 “Glyphosate Sequestration and Acetylcholinesterase Response in the Invasive Asiatic Clam (*Corbicula fluminea*),” directed by Carol Johnston, School of Fisheries, Aquaculture, and Aquatic Sciences.

Erasmio Alexander Flores Granados Guaimaca, Honduras
 “Growth, Development, and Nutrient Utilization Potential of Three Chicken Genotypes,” directed by Samuel Rochell, Department of Poultry Science.

Zane Walker Fuqua Independence, Kentucky "Relationships Between Fish Assemblage Traits, Demographics and Flow and Thermal Patterns in the Lower Tallapoosa River," directed by Shannon Brewer, School of Fisheries, Aquaculture, and Aquatic Sciences.	Peyton Poe Johnson Auburn, Alabama "Observing the Biogeochemistry of Applied Gypsum and Its Impacts on Water Quality and Zooplankton Communities," directed by Alan Wilson, School of Fisheries, Aquaculture, and Aquatic Sciences.
Isabella Grace Gafanha Auburn, Alabama "Microbial Community Profiling in Meat Quality and Shelf-life," directed by Aerial Belk, Department of Animal Sciences.	Kayla Ayana Jones Reidsville, North Carolina "Investigation of Gastrointestinal Nematodes and Anthelmintic Resistance in Domestic Ruminant Livestock and Wild Ruminants in Alabama," directed by Aniruddha Belsare, College of Forestry, Wildlife and Environment.
Duber Esmely Garces Martinez Medellin, Colombia "Impact of Biomass Sources and Processing Parameters on the Properties of Microfibrillated Cellulose Hydrogel Beads," directed by Maria Peresin, College of Forestry, Wildlife and Environment.	Mamata K. C. Chitwan, Nepal "Exploring Host Adaptation and Specificity in <i>Xylella Fastidiosa</i> ," directed by Leonardo De La Fuente, Department of Entomology and Plant Pathology.

ACADEMIC REGALIA

Academic regalia worn during graduation is based on attire from the 12th and 13th centuries when universities were being established. Academic dress and accoutrements have been used in higher education in the United States since colonial times. In 1895, an intercollegiate commission adopted a standardized code for the use of academic gowns, hoods, and caps, which included regulation of style and materials. Colors were prescribed to represent different fields of learning. Since then, the majority of colleges and universities in the United States, including Auburn, have upheld the code.

GOWNS

Except for a few universities, academic gowns are all black. The bachelor's gown is the simplest of the three types. The master's gown is similar but has sleeves with an extra long extension. Representing the highest degree, the doctoral gown is fuller throughout and has pleated bell-shaped sleeves. It is trimmed with a velvet band that circles the neck and descends the front, and it has velvet bars on the sleeves.

ACADEMIC HOODS

Academic hoods have endured as the sign of a scholar, and increased symbolism through color and material. Master's hoods are edged in velvet in the color of the candidate's major field. The hood's satin lining shows Auburn's official colors. A doctoral hood is longer and larger than the master's. A doctor of philosophy's hood has dark blue velvet-bound edges and the doctor of audiology has green.

The orange and blue satin lining shows that the degree was conferred at Auburn University. The faculty who march in the academic processional show a range of colors marking their diverse fields, degrees, and institutions.

The traditional rule for academic hoods is that a candidate for a degree should not wear the hood until the degree is conferred. However, at Auburn, master's degrees are conferred en masse, therefore degree candidates wear hoods throughout the ceremony. Doctoral degree recipients are hooded by their major professor during the ceremony. These candidates do not wear the hood during the academic processional, but receive their hood when the degree is conferred.

ACADEMIC REGALIA

CAPS AND TASSELS

A black mortar board is the typical headwear worn, with some faculty wearing black tams. All caps have tassels. Students earning a bachelor's degree have tassel colors representing their fields. They begin the ceremony with the tassels on the right front side; after all degrees are conferred, they are instructed to move the tassels to the left side. Faculty and candidates for master's and doctoral degrees already wear their gold tassels on the left side.

STOLES, CORDS, AND MEDALS

In addition to the orange stoles worn by student marshals, some graduates wear regalia signifying academic achievements or membership in organizations, primarily academic honor societies. Students graduating summa cum laude, magna cum laude, or cum laude wear yellow cords. The Honors College recognizes its graduates with silver medals. Students inducted into Phi Kappa Phi, an honor society incorporating all fields of study, may wear cords of interwoven gold and blue. Some schools and colleges have honor societies unique to their discipline, and students selected for membership wear stoles, cords or medallions representing them. Like hoods, each color and pattern is unique to the honor.

ACADEMIC SYMBOLS

MACE

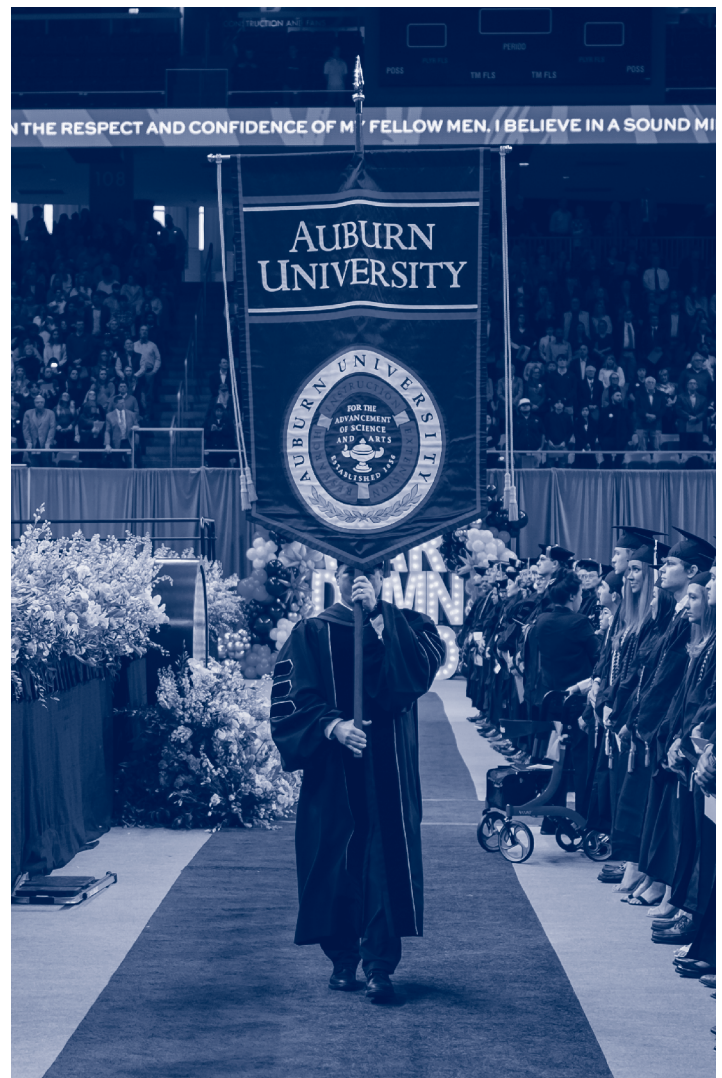

In ancient Rome, what would later be called a mace was carried at the head of processing civil authorities. By the Middle Ages, the Catholic Church similarly used a mace, which also became associated with the civil authority of monarchies. Today, the United Kingdom's House of Commons still presents a mace to mark the opening of daily sessions being open and legal. The U.S. House of Representatives adopted this practice in 1789, establishing the tradition of the Sergeant at Arms carrying the mace into the chamber to be placed near the Speaker of the House.

As an established symbol of authority, maces in the academic setting were adopted to show that a president represents the governing body of the school. Maces are used in graduation ceremonies to demonstrate that a school has the legal authority to grant degrees. Auburn's mace was created in fall 2015 from the wood of the beloved Auburn Oaks, representing the Board of Trustees' legal authority and linking to a symbol that is laden with meaning to the Auburn Family. The Auburn mace is approximately 42 inches tall and is carried by the macebearer, one of the faculty leaders from the graduation committee.

GONFALONS

Gonfalons are banners that originated in medieval Italy to identify a state or office. At Auburn commencements, each college and school is represented by a unique gonfalon, carried into the ceremony by a student marshal selected from the graduating class. The university gonfalon is carried by the faculty marshal. Additionally, smaller gonfalons stand on the edge of the floor to designate the seating area for each participating college and school.

HISTORIC HOME OF THE AUBURN FAMILY

Chartered in 1856, Auburn University opened in 1859 and became affiliated with the Methodist Church. Throughout the years, the institution has held four official names:

East Alabama Male College (1856-72)
Agricultural and Mechanical College (1872-99)
Alabama Polytechnic Institute (1899-1960)
Auburn University (1960-present)

Auburn University at Montgomery (AUM) was established as a separately administered branch campus in 1967. The institution has developed rapidly, especially since moving to a 500-acre campus east of Montgomery in 1971. Fall 2019 enrollment at AUM was approximately 5,323.
