

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie,
Neath the sun-kissed sky,
Proudly stands, O Alma Mater,
A. P. I.
To thy name we'll sing thy praise,
From hearts that love so true
And pledge to thee our loyalty
The ages through.

First Chorus

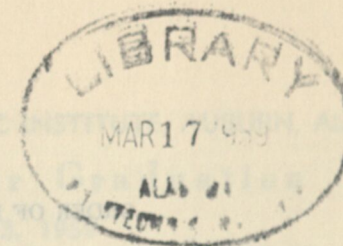

Hail thy colors, Orange and Blue,
Unfurled unto the sky.
To thee, our Alma Mater, we'll be true,
O, A. P. I.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.
From thy hallowed walls we'll part
And bid thee sad adieu,
Thy sacred trust we'll bear with us
The ages through.

Second Chorus

God, our Father, hear our prayer,
May Auburn never die.
To thee, O Alma Mater, we'll be true,
Our A. P. I.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie,
'Neath the sun-kissed sky,
Proudly stands, O Alma Mater,
A. P. I.
To thy name we'll sing thy praise,
From hearts that love so true
And pledge to thee our loyalty
The ages through.

First Chorus

Hail thy colors, Orange and Blue,
Unfurled unto the sky.
To thee, our Alma Mater, we'll be true,
O, A. P. I.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.
From thy hallowed walls we'll part
And bid thee sad adieu,
Thy sacred trust we'll bear with us
The ages through.

Second Chorus

God, our Father, hear our prayer,
May Auburn never die.
To thee, O Alma Mater, we'll be true,
Our A. P. I.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie,
'Neath the sun-kissed sky,
Proudly stands, O Alma Mater,
A. P. I.
To thy name we'll sing thy praise,
From hearts that love so true
And pledge to thee our loyalty
The ages through.

First Chorus

Hail thy colors, Orange and Blue,
Unfurled unto the sky.
To thee, our Alma Mater, we'll be true,
O, A. P. I.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.
From thy hallowed walls we'll part
And bid thee sad adieu,
Thy sacred trust we'll bear with us
The ages through.

Second Chorus

God, our Father, hear our prayer,
May Auburn never die.
To thee, O Alma Mater, we'll be true,
Our A. P. I.

THE SPANGLED BANNER

O that you see by the dawn's early light,
That some of the brave men
Whom we honored at the twilight's close,
Did yet wither and fall;
That some of the best and truest men
Who did ever live,
Were but mortal after all.

And ye who, in the hour of strife,
Saw our brave men
Fall—
And ye who, in the hour of death,
Saw our brave men
Die—
Remember them.

Alma Mater

On the roller of fate,
Which the sun-faced sky
Forthrightly sends O Alma Mater,
A. E. I.
To the name we'll sing the praise,
From hearts that love to true
And pledge to them our loyalty
The ages through.

First Chorus
Hail the colors, Grand and blue,
Fluted into the sky,
To thee, O Alma Mater, we'll be true,
O. A. E. I.

How the student voices swelling,
Echoes strong and clear,
Adding lustre to thy name,
Endowed so dear,
From the hallowed walls will pour
And bid thee and rejoice,
The sacred trust we'll bear with us
The ages through.

Second Chorus
God, our Father, hear our prayer,
May Auburn never die,
To thee, O Alma Mater, we'll be true,
O. A. E. I.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie,
'Neath the sun-kissed sky,
Proudly stands, O Alma Mater,
A. P. I.
To thy name we'll sing thy praise,
From hearts that love so true
And pledge to thee our loyalty
The ages through.

First Chorus

Hail thy colors, Orange and Blue,
Unfurled unto the sky.
To thee, our Alma Mater, we'll be true,
O, A. P. I.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.
From thy hallowed walls we'll part
And bid thee sad adieu,
Thy sacred trust we'll bear with us
The ages through.

Second Chorus

God, our Father, hear our prayer,
May Auburn never die.
To thee, O Alma Mater, we'll be true,
Our A. P. I.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie,
'Neath the sun-kissed sky,
Proudly stands, O Alma Mater,
A. P. I.
To thy name we'll sing thy praise,
From hearts that love so true
And pledge to thee our loyalty
The ages through.

First Chorus

Hail thy colors, Orange and Blue,
Unfurled unto the sky.
To thee, our Alma Mater, we'll be true,
O, A. P. I.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.
From thy hallowed walls we'll part
And bid thee sad adieu,
Thy sacred trust we'll bear with us
The ages through.

Second Chorus

God, our Father, hear our prayer,
May Auburn never die.
To thee, O Alma Mater, we'll be true,
Our A. P. I.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie,
'Neath the sun-kissed sky,
Proudly stands, O Alma Mater,
A. P. I.
To thy name we'll sing thy praise,
From hearts that love so true
And pledge to thee our loyalty
The ages through.

First Chorus

Hail thy colors, Orange and Blue,
Unfurled unto the sky.
To thee, our Alma Mater, we'll be true,
O, A. P. I.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.
From thy hallowed walls we'll part
And bid thee sad adieu,
Thy sacred trust we'll bear with us
The ages through.

Second Chorus

God, our Father, hear our prayer,
May Auburn never die.
To thee, O Alma Mater, we'll be true,
Our A. P. I.

—William T. "Bill" Wood, '24

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie,
'Neath the sun-kissed sky,
Proudly stands, O Alma Mater,
A. P. I.
To thy name we'll sing thy praise,
From hearts that love so true
And pledge to thee our loyalty
The ages through.

First Chorus

Hail thy colors, Orange and Blue,
Unfurled unto the sky.
To thee, our Alma Mater, we'll be true,
O, A. P. I.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.
From thy hallowed walls we'll part
And bid thee sad adieu,
Thy sacred trust we'll bear with us
The ages through.

Second Chorus

God, our Father, hear our prayer,
May Auburn never die.
To thee, O Alma Mater, we'll be true,
Our A. P. I.

—William T. "Bill" Wood, '24
