THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
 light,
 What so proudly we hailed at the twilight's
 last gleaming?
 Whose broad stripes and bright stars,
 through the perilous fight,
 O'er the ramparts we watched, were so
 gallantly streaming?
 And the rocket's red glare, the bombs
 bursting in air,
 Gave proof through the night that our
 flag was still there.
 O say does that Star-spangled Banner yet
 wave
 O'er the land of the free and the home of
 the brave?

ALMA MATER

On the rolling plains of Dixie
 'Neath the sun-kissed sky,
 Proudly stands our Alma Mater
 Banners high.

To thy name we'll sing thy praise
 From hearts that love so true
 And pledge to thee our loyalty
 The ages through.

We hail thee, Auburn, and we vow
 To work for thy just fame,
 And hold in memory as we do now
 Thy cherished name.

Hear thy student voices swelling,
 Echoes strong and clear,
 Adding laurels to thy fame
 Enshrined so dear.

From thy hallowed walls we'll part,
 And bid thee sad adieu;
 Thy sacred trust we'll bear with us
 The ages through.

We hail thee, Auburn, and we vow
 To work for thy just fame,
 And hold in memory as we do now
 Thy cherished name.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie
'Neath the sun-kissed sky,
Proudly stands our Alma Mater
Banners high.

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.

From thy hallowed walls we'll part,
And bid thee sad adieu;
Thy sacred trust we'll bear with us
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

On the rolling plains of Dixie
Neath the sun-kissed sky,
Proudly stands our Alma Mater
Banners high.

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

Hear thy student voices swelling,
Echoes strong and clear,
Adding laurels to thy fame
Enshrined so dear.

From thy hallowed walls we'll part,
And bid thee sad adieu;
Thy sacred trust we'll bear with us
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.
