

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
'Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

Hear thy student voices swelling,  
Echoes strong and clear,  
Adding laurels to thy fame  
Enshrined so dear.

From thy hallowed walls we'll part,  
And bid thee sad adieu;  
Thy sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
'Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

Hear thy student voices swelling,  
Echoes strong and clear,  
Adding laurels to thy fame  
Enshrined so dear.

From thy hallowed walls we'll part,  
And bid thee sad adieu;  
Thy sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

# THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

Hear thy student voices swelling,  
Echoes strong and clear,  
Adding laurels to thy fame  
Enshrined so dear.

From thy hallowed walls we'll part,  
And bid thee sad adieu;  
Thy sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

Hear thy student voices swelling,  
Echoes strong and clear,  
Adding laurels to thy fame  
Enshrined so dear.

From thy hallowed walls we'll part,  
And bid thee sad adieu;  
Thy sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

THE STAR SPANGLED BANNER

O say can you see by the dawn's early light,  
What so proudly we hail'd at the breaking of day,  
Whose broad stripes and bright stars through the perilous fight,  
O'er the ramparts we watch'd, were so bravely displayed,  
And the hero's red blood and the patriot's tears,  
Gave proof through the night that our land was still free,  
O say does that Star-spangled Banner yet  
Wave from the top of the fort, o'er the land and the sea,  
Where our fathers' blood was shed, and the hero's blood,  
The brave and the true, the noble and the free,  
The loved and the loved, the dear and the dear,  
The brave and the true, the noble and the free,  
The loved and the loved, the dear and the dear,

ALMA MATER

On the rolling plains of Dixie,  
Near the river's bank,  
I proudly stand, my Alma Mater,  
In the heart of Dixie.

To the name we'll sing the praise,  
From hearts that love so true,  
And pledge to thee our loyalty,  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we now  
The cherished name.

Then thy student voices swelling,  
Echoes strong and clear,  
Adding luster to thy name,  
Endured so dear.

From thy hallowed walls we'll part,  
And bid thee adieu,  
The sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we now  
The cherished name.

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

Hear thy student voices swelling,  
Echoes strong and clear,  
Adding laurels to thy fame  
Enshrined so dear.

From thy hallowed walls we'll part,  
And bid thee sad adieu;  
Thy sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
'Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

Hear thy student voices swelling,  
Echoes strong and clear,  
Adding laurels to thy fame  
Enshrined so dear.

From thy hallowed walls we'll part,  
And bid thee sad adieu;  
Thy sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
'Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

Hear thy student voices swelling,  
Echoes strong and clear,  
Adding laurels to thy fame  
Enshrined so dear.

From thy hallowed walls we'll part,  
And bid thee sad adieu;  
Thy sacred trust we'll bear with us  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.

## THE STAR SPANGLED BANNER

O say can you see, by the dawn's early  
light,  
What so proudly we hailed at the twilight's  
last gleaming?  
Whose broad stripes and bright stars,  
through the perilous fight,  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rocket's red glare, the bombs  
bursting in air,  
Gave proof through the night that our  
flag was still there.  
O say does that Star-spangled Banner yet  
wave  
O'er the land of the free and the home of  
the brave?

## ALMA MATER

On the rolling plains of Dixie  
'Neath the sun-kissed sky  
Proudly stands our Alma Mater  
Banners high.

To thy name we'll sing thy praise  
From hearts that love so true  
And pledge to thee our loyalty  
The ages through.

We hail thee, Auburn, and we vow  
To work for thy just fame,  
And hold in memory as we do now  
Thy cherished name.
