

THE STAR SPANGLED BANNER
 O say can you see, by the dawn's early
 light,
 What so proudly we hail'd at the twilight's
 faint gleaming?
 Whose broad stripes and bright stars
 through the perilous fight
 O'er the ramparts we watch'd, were so
 gallantly streaming?
 And the rocket's red glare, the bombs
 bursting in air,
 Gave proof through the night that our
 flag was still there,
 O say does that Star-spangled Banner yet
 wave
 O'er the land of the free and the home of
 the brave?

ALMA MATER
 On the rolling plains of Dixie
 Neath the sun kindled sky
 Proudly stands our Alma Mater
 Banner high.
 To thy name we'll sing thy praise
 From hearts that love so true
 And pledge to thee our loyalty
 The ages through.
 We hail thee Auburn, and we vow
 To work for thy just name,
 And hold in memory as we do now
 Thy cherished name.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

ALMA MATER

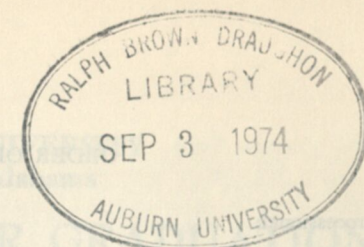

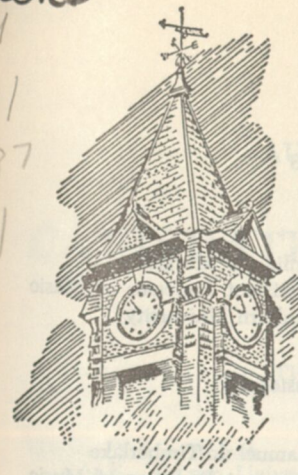

On the rolling plains of Dixie
'Neath the sun kissed sky
Proudly stands our Alma Mater
Banners high.

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

The Star Spangled Banner
O say can you see by the dawn's early light
What so proudly we hail'd at the break of the day
Whose broad stripes and bright stars
Through the perilous fight
Over the ramparts we watch'd as they fell
And the rockets and red glare
Gave proof through the smoke that the brave had won
O say does that banner yet fly
O'er the land of the free and the home of the brave

Alma Mater
On the rolling plain of Dixie
Near the sun kissed sky
Fondly stands our Alma Mater
Banner high

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through

We bid thee, Auburn, and we vow
To work for thy just name
And hold in memory as we do now
Thy cherished name

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

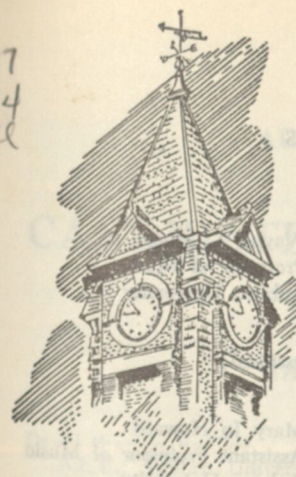

ALMA MATER

On the rolling plains of Dixie
Neath the sun kissed sky
Proudly stands our Alma Mater
Banners high.

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

COMMENCEMENT EXERCISES

On the rolling plains of Dixie
Wealth the sun kissed sky
Frothy winds our vines make
Dance high
To the name we'll sing the praise
From hearts that love so true
And pledge to thee our loyalty
The ages through
We hail thee Auburn and we vow
To work for thy just name
And hold in memory as we do now
The cherished name

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early
light,
What so proudly we hailed at the twilight's
last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
O say does that Star-spangled Banner yet
wave
O'er the land of the free and the home of
the brave?

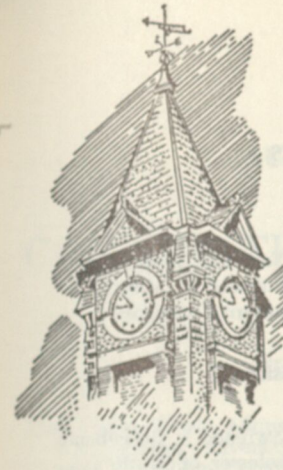

ALMA MATER

On the rolling plains of Dixie
Neath the sun kissed sky
Proudly stands our Alma Mater
Banners high.

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.

THE STAR SPANGLED BANNER

O say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say does that Star-spangled Banner yet wave
O'er the land of the free and the home of the brave?

ALMA MATER

On the rolling plains of Dixie
'Neath the sun kissed sky
Proudly stands our Alma Mater
Banners high.

To thy name we'll sing thy praise
From hearts that love so true
And pledge to thee our loyalty
The ages through.

We hail thee, Auburn, and we vow
To work for thy just fame,
And hold in memory as we do now
Thy cherished name.
