Template For Development Of An Accelerated Bachelor's / Master's Program

1. Proposing College(s)/Scho	ool(s):		
Departme	ent(s):		
2. Program Coordinator(s):		3. Effective Term:	
4. Included Programs: Undergrams: (e.g.: BA in English: MA in English) Graduate			
	e total number of credit hours (c.h.) the programs undergraduate and gradu	uate) Undergraduate: Gra	aduate:
6. Admission Qualifications:	☐ Credit Hours Earned — Minim	num: Maximum: At A	Auburn:
	NOTE - The minimum credit hours mus than 96. For transfer students, at least 24 Grade Point Average Minimum Grade in Gateway Cou	4 c.h. must have been earned at Aubur — Major:	
7. Retention Standards:	☐ Time Limit to Earn Degree —	Undergraduate Program:	
(NOTE - The Graduate School has set the minimum GPA requirement for retention in graduate programs at 3.4. Departments may set higher requirements as necessary.)	NOTE - Degrees must be earned with and the Graduate School Grade Point Average Minimum Grade in Major Course	— Major:	ere applicable
8. Graduate Course Substitutions: (List all courses at the graduate level that will count for undergraduate credit in the program)	Graduate Course	Undergraduate Course Replaced	Credit Hours
NOTE - No more than 9 c.h. of graduate credit may be counted toward a student's undergraduate work, for graduate programs up to and including 35 c.h. total. For graduate programs of 36 c.h. or higher, no more than 12 c.h. of graduate credit may be counted toward a student's undergraduate work.			
Maximum Double Counted	I Hours		

(Indicate the maximum number of credit hours (c.h.) that may be double-counted, as per the guidelines listed above)

10. Justification for Program:	
(Include a concise, yet adequate rationale for t student demand, etc.)	the proposal of the accelerated program citing such factors as market need,
11. Application Process:	
(Outline the process for acceptance into the approvals that will be necessary)	accelerated program; include all necessary departmental, college, and other
12. Program Matriculation:	
· ·	will be taken by students; include estimated timeframes for application to the undergraduate portion of the program, and any internships/field experience)
13. Academic Advising:	
(Address how academic advising for the studen the accelerated program)	t will be handled, from undergraduate program admission through completion of
14. Withdrawal Process:	
(Outline both the process for withdrawing from tundergraduate and graduate degrees)	the accelerated program, as well as the implications on matriculation and earning of
15. Additional Information:	
(Include any additional information regarding the	accelerated program that may be pertinent to its review and approval)

Curriculum Models

(Please attach the proposed curriculum models for both the undergraduate and graduate components of the accelerated degree program; a current model for each may be provided as well, for comparative purposes)
