

### **Step 9. How are you going to grade?**

Your grading system should reflect the full range of learning goals and activities, but it is also important to remember that you do NOT have to grade everything. In addition, the relative weight of each item as it affects the course grade should reflect the relative importance of that activity.

Action: What are the key components of your grading system?

Action: What will be the relative weight of the grade components? Are you going to determine that yourself, or will you involve the class in this process?
