Pre-dietetic students must formally apply to the DPD typically during the second semester of the sophomore year. The application deadline for admission to the DPD is May 20 for fall admission. Application materials will be posted to the dietetics website by April 1 for admission the following fall. Students will be notified of admission decisions in writing (e-mail) by May 30th. Students receiving appointments must provide a written (e-mail) confirmation of acceptance by June 15th.
