

May 8, 2017

TO: Dr. Constance Relihan, Associate Provost for Undergraduate Studies
FROM: Dr. Hari Narayanan, Chair, Computer Science and Software Engineering
THROUGH: Dr. Steve Duke, Associate Dean for Academics, College of Engineering
SUBJECT: Updating Advanced Placement Credit for Computer Science

H. Hari Narayanan
Steve R. Duke

We request that the credit awarded for scores on Advanced Placement tests in Computer Science be updated to reflect changes made by the College Board. The Computer Science A exam remains unchanged, but the Computer Science AB exam has been discontinued and the Computer Science Principles exam is newly developed for 2017. The two rows for Computer Science in the Advanced Placement Credit Table (<https://aub.ie/ap-credit>) should now appear as follows:

AP TEST	5	4	3	1-2
Computer Science (A)	3 hrs credit for COMP 1210	3 hrs credit for COMP 1210	No Credit	No Credit
Computer Science (Principles)	3 hrs credit for COMP 2000	3 hrs credit for COMP 2000	No Credit	No Credit
