

Statement of Acknowledgement for Civilian Dental Records

(ROTC Cadet Cmd PAM 145-4, Para 2-55)

As per CC PAM 145-4, Para 2-55, all participants in the ROTC program who must use government-owned or government contracted transportation are required to have dental films for casualty identification purposes. The PMS is to ensure the cadets' dental records contain sufficient documentation to aid in forensic identification.

ROTC CADETS PLEASE COMPLETE THE FOLLOWING

_____ I have verified with my dentist that my dental records **do** contain descriptive profiles, bite wing x-rays, orthodontic profiles or dental x-rays for identification purposes.
