Non-Conventional Vehicle Registration Form

Instructions: All non-conventional vehicles used by any employee on campus must be registered with Parking Services. Please complete the information below and email this form for each non-conventional vehicle to parking@auburn.edu. A permit will be assigned to your non-conventional vehicle once Parking Services receives this form. There is a \$20 charge for each non-conventional vehicle that is registered and payment for the registration can be made through a Journal Voucher to the following FOAP: 500363 111042 57050 X100. If other form of payment will be used, it must be approved by Parking Services prior to the distribution of the permit. Contact Parking Services with any question regarding your non-conventional vehicle registration.
