STRATEGIC GOALS

The personal and intellectual development of students is the inherent goal of a university education. This assumption, complemented by the belief that knowledge is valuable in itself, underlies the primary aspiration of AUM: to create in students a realization of their potential as responsible, ethical human beings. AUM adopts the following goals:

- Enhance academic quality and program development reinforced by scholarship.
- Grow faculty research and scholarly activities and increase support of intellectual property management and research commercialization.
- Increase student recruitment and retention.
- Create a culture of collaboration.
- Foster an inclusive atmosphere that is supportive of students, faculty, and staff.
- Strengthen and promote the University's distinctive identity.
- Enhance relationships with alumni.
- Increase funds from alternative revenue streams through sponsored programs, private giving, and outreach to ensure long-term viability of the University.
