

AUBURN UNIVERSITY REGIONAL AIRPORT

FY 2026 Airport Rates & Fees

Effective October 1, 2026

AIRPORT DIRECTOR AUTHORITY

The Director is authorized to assess or waive fees not explicitly addressed in the Rates and Charges. Other fees may occasionally be incurred.

Lessee may not undertake or allow any party to undertake any alterations, erection, improvement, or other construction work on or to the premises unless it first requests and receives approval from the Director or their authorized representative.

ADJUSTMENT OF RATES & CHARGES

Leases are subject to periodic review and adjustment of rates and charges. This excludes ground leases or other agreements with defined adjustment terms.

MILITARY, FEDERAL, AND STATE OPERATIONS EXEMPTIONS

Military, Federal, and State aircraft are exempt from daily use facility fees.

Airport Gate & Build Access Cards

Tenants will receive two complimentary cards per signed lease. Lost, additional, or replacement cards are subject to a \$75 reissue fee.

GROUND LEASE RATE

The current ground lease rate is **\$.30/sq ft. annually**, for an initial term of thirty (30) years. All ground lease proposals shall conform to the Auburn University Regional “*Airport Guidelines for the Development, Design, and Construction of Aircraft Hangars by Private Entitles*”, latest revision, and “*AUO Ground Lease Standards*” documents.

TERMINAL PARKING

The terminal parking lot is complimentary for non-concessionaire tenants and airport customers who park vehicles for less than seven (7) days. Customers may request to park a car for more than seven (7) days and must obtain a parking permit from the airport customer service desk. All long-term parking vehicles must be registered with the airport and will incur a monthly fee of \$50. Vehicles not registered are subject to tow and removal at the owner’s sole expense.
