All,

Please see the attached outage request for S Donahue Dr Tigerwalk starting 6/16/25.

PLEASE NOTE there are no lane closures. The sidewalk, bike lane and parking outages will be needed intermittently between M, 6/16/25 and Th, 7/3/25. The outage is requested to aid tree pruning work on both sides of the road. Also note the exhibit on Page 3 shows specifics on lift setup locations and parking occupancy required.

Please 'Reply All' with your support to the most recent response so I can send one email to Work Management.

Thank you!
