*** Professional fees, program fees, differential tuition in addition to regular credit hour tuition

† The \$200 proration fee is a quality fee implemented due to the fact that Auburn University's state appropriations have been reduced (prorated). In order to provide the level of services that our students have become accustomed to, this fee has been added instead of a permanent tuition increase. When state appropriations return to a level to adequately assist in funding university operations, the proration fee may be reduced or eliminated.

Graduate students' tuition and registration fee are waived, provided they are on a one-quarter time or greater appointment and are being paid according to the approved salary structure as a Graduate Research or Teaching Assistant. Their appointment date must be effective as of the eighth class day of the Spring semester, the fifth class day of Summer semester, or September 1 for the Fall semester. Professional and Program fees are not waived.

Graduate students that have their tuition and registration fee waived pay the GRA/GTA enrollment fee each semester.

a.) The university tuition and registration fee is used to meet part of the cost of instruction, physical training and development, laboratory materials and supplies for student use, maintenance, operation and expansion of the physical plant, Library and Student Activities. The Student Activities portion of the fee supports such activities as intercollegiate athletics, exhibits, GLOMERATA, intramural sports, PLAINSMAN, religious life, social affairs, student government, student union activities and operations, TIGER CUB, and WEGL Radio Station. This fee includes \$0.25 held in reserve to cover damage to university property by students. The Registration Fee is waived for full-time faculty and staff. All students except faculty and staff are eligible to participate in Student Activities.

b.) Students participating in the Study Abroad/Exchange Program will pay the Auburn Abroad Fee, and any course work resulting in AU credit or grades will be assessed in accordance with the university fee structure.

c.) Not charged to faculty and staff.

d.) A student who is a candidate for a degree in a term in which no credit work is taken is required to register in such term as a pre-requisite to graduation. (For members of the faculty and staff the charge shall be reduced to \$5.00.) Graduation fee is to be paid in addition to this charge.

e.) This additional music fee is to be paid for each Performance Course of individual instruction. Instruction is available in either half-hour or hour lessons.
