

WHO WE ARE

AUBURN

Auburn University (AU), Auburn University at Montgomery (AUM), the Alabama Cooperative Extension System (ACES), and the Alabama Agricultural Experiment Station (AAES) (collectively, “the University” or “Auburn”) recognize the importance of operating with the highest ethical and professional standards of conduct. This Code of Ethics (“Code”) formalizes our values and expectations for faculty, staff, administrative/professionals, and contractors representing the University on a daily basis (collectively referred to as “Auburn Personnel”).

The principles of ethical behavior outlined in the Code articulate basic expectations that guide our everyday work and

interactions. The University understands these expectations require a shared commitment to ethical conduct in all University activities. Auburn Personnel are expected to demonstrate ethical, legal, and professional behavior in teaching, research, public service, and business practices.

Auburn Personnel must promote a positive and ethical work environment at Auburn. Our shared values of Integrity, Respect, and Excellence emanate from the Auburn Creed and are demonstrated each day through our actions, decisions, and behaviors. The Code provides guidance, answers, and contacts for addressing ethical concerns.
