Fall 2022- Financial Obligation Agreement

### Financial Obligation Agreement

I understand that registration at Auburn University or other requests for class assignment create a liability for the payment of tuition, charges, and fees resulting from assigned classes and will be assessed to my student account. By registering for classes at Auburn University or otherwise receiving goods and valuable services from Auburn University, I understand and agree to the following:

1. I agree to meet all financial obligations when they fall due. If I fail to pay any unpaid balance on my student account, I will be personally responsible for the debt, and agree to reimburse Auburn University the fees of any third party collection agency, which may be based on a percentage at a maximum of 40% of the debt (including principal and late fees prior to referral to such agency) and all costs and expenses including reasonable attorneys' fees, court costs, and any other charges necessary for the collection of this debt.
2. I authorize the University and/or their respective agents and contractors to contact me regarding my student account at the current or any future number that I provide including my cellular phone or other wireless device using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.
3. This agreement is subject to the laws of the State of Alabama, without regard to its conflict or choice of law provisions. I irrevocably consent to the jurisdiction of the state and federal courts located in Lee County, Alabama, in any lawsuit arising out of or concerning this agreement, or the enforcement of any obligations under this agreement, including any lawsuit to collect amounts that I may owe as a result of this agreement.

I have read and understand this agreement. By clicking the "I AGREE" button, I affix my electronic signature and consent to this agreement.
