Banner Registration Error	Tiger Scheduler Error	Possible Solution
Registration Add Errors	Closed Section	This error means that you are attempting to register for a class that has no open or available seats. Try to register for an alternate CRN to find a different section of that class. If there are no seats available in any other sections, move to a totally different class on your alternate course list.
Prerequisite and Test Score Error Or Co-requisite Error	Pre-Req/Test Score Error	'Prerequisite and Test Score Error' means that some other course or test requirement must be fulfilled before you can sign up for this class. The majority of time it is related to a course that must be fulfilled before this course can be taken. It can also be related to a grade in a pre-req class or a test score that needed to be reached prior to enrolling in the class. If you completed the prerequisite at another institution, you must have the official transcript sent to Auburn. In the meantime, contact your advisor for registration advice. For some lecture/lab combinations, the lecture CRN must be entered in the CRN block in immediately front of the lab CRN block so that both courses are being registered at the same time.
Class Restriction	Class Restriction	'Class restriction means that you are not in the appropriate classification level (Freshman, Sophomore, Junior, and Senior) to take the course.
College Restriction	College Restriction	'College restriction means that you are not in the appropriate College (Business, Engineering, Architecture, etc.) to take the course.
Field of Study Restriction	Field of Study Restriction	'Field of Study restriction means that you are not in the appropriate major (or minor) to take the class.
Time Conflict	Time Conflict	Time Conflict means that you are attempting to register for multiple classes that overlap in the times in which they meet. The system will not allow you to overbook yourself. You will need to find an alternative CRN meeting in a time slot for one of the courses.
Alternate PIN	Alternate PIN	An Alternate PIN has been entered for your registration cycle by your academic advisor. Please contact your academic advisor for help in removing the PIN and what steps are necessary to complete the work necessary to have the PIN removed.
No Registration Time Ticket	No Registration Time Ticket	There are a number of issues that could result in this error: (1) You have no time ticket set for the selected term. Contact the Office of the Registrar (2) Your time ticket has been set; however it is past the registration time ticket in which you can register within the term (see academic calendar for registration dates) or (3) Your time ticket has been set; however it is not yet time for you to register and you need to wait until your time ticket window fully opens. Review your time ticket window in your AU Access portal.

Maximum Hours Exceeded	Maximum Hours Exceeded	You are attempting to register for more than 18 hours in a spring or fall term. You are not eligible to enroll for more than 18 hours in the spring/fall terms.
Program Restriction	Program Restriction	You are attempting to register for a course that requires you to be enrolled in a specific program of study. Please contact the registrar's office or your academic advisor for additional assistance.
Closed – # Waitlist	Waitlist	The open seating for this course is full but you may still add yourself to the waitlist for the course. The # displayed will show how many students are currently on the Waitlist.
Instructor Approval Req'd	Instructor Approval Req'd	You are attempting to register for a course that requires instructor approval. Please contact the instructor for approval. Once you have attained approval, please contact your academic advisor or the home department of the course to be granted permission to be placed into the course.
