

Register for Classes in Tiger Scheduler

1. Use the following URL to access Tiger Scheduler: tigerschedule.auburn.edu or select the Tiger Scheduler icon on AU Access

2. Select term

3. Agree to Financial Obligation Statement (also known as Action Item Processing or AIP)

4. Begin registration

The screenshot shows the Tiger Scheduler interface with several key elements highlighted by arrows:

- Filter schedules:** Points to the Legend and TIPS sections at the top of the results pane.
- Sort by:** Points to the dropdown menu for sorting results.
- Full classes / Waitlistable classes:** Points to the toggle switches for filtering course availability.
- SHOW 1 SIMILAR OPTION:** Points to the dropdown arrow below a course listing.
- ADD PERSONAL TIMES:** Points to the button for adding personal times to the schedule grid.
- GET THIS SCHEDULE:** Points to the button for saving a selected schedule as a favorite.

Search for courses. Click the arrow to expand course details.

To pin a course at a set time, click on the course in the schedule grid. A pinned course remains at the pinned time when scrolling through the results.

Scroll through the search results to locate a desired schedule.

Click and drag across schedule to block off personal time.

You may save multiple schedules as favorites. When you find the desired schedule, select "Get This Schedule" to complete registration on the next page.

RETURN TO 'SELECT COURSES'

Click this button to view the latest status of your courses.

1. Under Options, Web Registered is automatically selected if the class has open seats. If the class is full and wait list seats are available, Wait List is automatically selected. When finished, click Do Actions.

2. Registration results will be displayed. If a student is unable to register or wait list, an explanation will be provided explaining why registration was unsuccessful.

3. Select Return to Select Courses to go back to the schedule results.
