RESOLUTION

PROPOSED BACHELOR OF SCIENCE DEGREE IN APPLIED BIOTECHNOLOGY

WHEREAS, the College of Agriculture currently offers academic programs that support the study of biotechnology for the use and improvement of plants, animals, and micro-organisms; and

WHEREAS, the College proposes to offer a Bachelor of Science degree program in Applied Technology that would provide opportunities for students to acquire the interdisciplinary knowledge and skills necessary for graduate study or professional careers in the biotechnology, agricultural, or pharmaceutical industries; and

WHEREAS, Auburn University would be the first institution in Alabama to offer such a degree program; and

WHEREAS, the proposed degree program would be taught by existing faculty members and would not require any additional resources or space; and

WHEREAS, the request to create this degree program has been endorsed by the Interim Dean of the College of Agriculture, the University Curriculum Committee, the Provost, and the President.

NOW, THEREFORE, BE IT RESOLVED by Auburn University's Board of Trustees that the proposed Bachelor of Science in Applied Biotechnology be approved and submitted to the Alabama Commission on Higher Education for review and approval.

RESOLUTION

PROPOSED ONLINE BACHELOR OF COMPUTER SCIENCE DEGREE PROGRAM

WHEREAS, the Department of Computer Science and Software Engineering in the Samuel Ginn College of Engineering currently offers an on-campus program of study leading to the Bachelor of Science in Computer Science; and

WHEREAS, the Department proposes to leverage the expertise already in place for this program to add a fully online undergraduate program of study in Computer Science that would enable qualified individuals with prior college credits to complete their degrees and gain advanced knowledge and marketable skills; and

WHEREAS, the proposed degree program will be offered in concentrated, eight-weeks terms to enable students to master course materials in a focused and expeditious way; and

WHEREAS, the addition of this fully online Bachelor of Computer Science program supports the University's strategic goal of expanding online enrollment opportunities for students who have accumulated some college credits without yet completing a Bachelor's Degree; and

WHEREAS, the addition of this program will also help to meet increasing demand for qualified professionals in the fields of software development and applications; and

WHEREAS, the additional instructional resources needed for this program will be offset by anticipated tuition revenues; and

WHEREAS, the proposed online Bachelor of Computer Science degree program has been endorsed by the Dean of the Samuel Ginn College of Engineering, the University Curriculum Committee, the Provost, and the President.

Executive Committee - - Chairperson Mike DeMaioribus. Chairperson DeMaioribus advised everyone that the Executive and Audit Committees met earlier and approved a revision to the Board of Trustees By-Laws and moved for adoption. A second was received from Mr. Dumas, and the Board unanimously approved the following resolution:

RESOLUTION

REVISION OF BOARD OF TRUSTEES BY-LAWS

WHEREAS, this Board approved its initial set of By-Laws on November 4, 1983, to serve as guidance for Board operations and has revised them periodically; and

WHEREAS, the Audit Committee Charter is an appendix to the By-Laws and Board members have been forwarded proposed changes to the Audit Committee Charter to expand the compliance oversight responsibilities of the recently renamed "Audit and Compliance Committee."

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the Board By-Laws revision, as set forth in the attached Exhibit A, be and is hereby approved.

EXHIBIT A

Auburn University Board of Trustees Audit and Compliance Committee Charter

Section 1. Purpose

The purpose of the Audit and Compliance Committee (the “Committee”) is to assist the Board of Trustees in fulfilling its oversight responsibilities in the areas of financial practices, internal controls, financial management, regulatory compliance and administration of the Board of Trustees’ Code of Ethics. The Committee will be the focal point of communication between the Board of Trustees, auditors, and management.

Section II. Membership

- 2.1 The Committee shall be comprised of at least three (3) Trustees, appointed by the President Pro Tempore, each of whom shall be independent Trustees and free from any relationship that, in the opinion of the President Pro Tem, might impair or interfere with the exercise of his/her judgment as Committee member.
- 2.2 Committee members should have a working familiarity with basic financial and accounting practices and at least one (1) member of the Committee shall have accounting or related financial management expertise. Committee members may enhance their familiarity with finance, accounting, regulatory compliance and internal control issues by participation in educational programs and discussions with both auditors and management.

Section III. Responsibilities

3.1 Compliance

- 3.1.1 The Committee shall monitor compliance with the Board of Trustees Code of Ethics policy and annually report their results to the full Board and public.
- 3.1.2 The persons responsible for Athletic SEC/NCAA Compliance, Legal Compliance, Affirmative Action/Equal Employment Opportunity Compliance, Cyber Security Compliance and Research Compliance shall have unrestricted access to the Committee Chair or President Pro Tem to report any failure by the University to properly manage compliance issues arising from those areas.

3.2 External Auditors

- 3.2.1 The Committee shall recommend to the Board the appointment or replacement of the independent auditors and approve the terms on which the independent auditors are engaged for the ensuing year. The Committee shall solicit input of management in this process.
- 3.2.2 The Committee should review and approve (or disallow) fees to be paid to the independent auditor, authorize (or prohibit) the provision of any non-audit services.
- 3.2.3 The Committee should meet with the independent auditors before the annual financial statement audit to discuss the nature and scope of the audit. This meeting shall be held in the absence of management if the Committee deems appropriate.
- 3.2.4 The Committee should meet with the independent auditors upon completion of the financial statement audit to discuss findings, recommendations, and management responses.
- 3.2.5 The Committee shall review the independent auditor's management letter and management's responses. This discussion should include any unique or emerging risks the independent auditor notes during the engagement.
- 3.2.6 The Committee shall review any other audit services performed by the independent auditor such as federally required A-133 audit. The Committee shall also review any non-audit services completed by the auditors, if such services have been performed.

3.3 Internal Audit and Compliance

3.4

- 3.4.1 The Committee shall have general oversight of the University's internal audit and compliance function with the chief audit and compliance executive having access to the Committee through a dual reporting line to the Committee and the President (or his/her designee). The chief audit and compliance executive shall have unrestricted access to the Committee and provide information to the Committee with respect to internal audit and institutional compliance operations. The Audit and Compliance Committee shall approve any changes in the position of chief audit and compliance executive.

3.4.2 Internal Audit will maintain an anonymous reporting process to facilitate reporting of alleged unethical behavior involving the University, investigate as appropriate, and provide periodic reports on use of that process.

3.4.3 Institutional compliance will periodically report the results of compliance risk assessments & monitoring to the Committee. In addition, the Committee will receive communications regarding new and emerging risks of significance identified by institutional compliance.

Section IV. Meetings

The Committee shall meet as frequently as circumstances dictate but at a minimum twice per year: once prior to the commencement of the annual financial statement audit, and once again prior to the presentation of the audited financial statements to the full Board.

Section V. Implementation

The Committee should develop procedures to ensure the implementation of this charter and periodically assess the charter and their compliance with the responsibilities herein defined. As part of their evaluation, the Committee should assess whether modifications are need to the charter.

Revised: November 2012

Revised: _____

The next item was a request to award a Posthumous Bachelor of Science Degree in Kinesiology to Carlton Wade Corbett. Provost Boosinger advised the Board that he, the Department Head, and Dean were all in favor of this request. Mr. DeMaioribus then moved for approval of the resolution, seconded by Mr. Roberts, and the resolution was unanimously approved as follows:

RESOLUTION

POSTHUMOUS AWARDING OF THE BACHELOR OF SCIENCE DEGREE IN KINESIOLOGY/SPORT LEADERSHIP TO CARLTON WADE CORBETT

WHEREAS, Carlton Wade Corbett, an undergraduate student at Auburn University at Montgomery, passed away on May 24, 2015; and

WHEREAS, Carlton Wade Corbett would have completed the requirements necessary for a Bachelor of Science Degree in Kinesiology/Sport Leadership; and

WHEREAS, the Head of the Department of Kinesiology; the Dean of the College of Education; the Provost; and the Chancellor recommend that the Degree of Bachelor of Science in Kinesiology/Sport Leadership be awarded posthumously,

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Auburn University that the Degree of Bachelor of Science in Kinesiology/Sport Leadership is hereby granted posthumously to Carlton Wade Corbett in recognition of this academic achievement as an undergraduate student at Auburn University.

BE IT FURTHER RESOLVED that the Board hereby expresses its sympathy and condolences to the family of Carlton Wade Corbett in this period of sadness and that a copy of this resolution be presented to them so they will know of this action and the University's deep loss.

The final two items were a request for naming of the Laboratory on the first floor of Wilmore Engineering Laboratory as the McMillan Unit Operations Laboratory and a request to name the Engineering Student Achievement Center as the Brown-Kopel Engineering Student Achievement Center. Mr. DeMaioribus moved for approval, seconded by Mr. Rane, and the following resolutions were unanimously approved:

RESOLUTION

REQUEST TO NAME THE LABORATORY ON THE FIRST FLOOR OF WILMORE ENGINEERING LABORATORY AS THE MCMILLAN UNIT OPERATIONS LABORATORY

WHEREAS, Joe McMillan earned a Bachelor's Degree in Chemical Engineering from Auburn University, or API as it was known then, in 1958, and began his career at Exxon as an engineer in its refinery in Baton Rouge, Louisiana, before being promoted and moved to Exxon USA headquarters in Houston; and

WHEREAS, during the next few years, he carried out diverse duties in the refining, supply, and marketing departments before being appointed as Assistant Manager of the Western Marketing Region in Dallas in 1972; and

WHEREAS, he then served as Manager of the Pacific Marketing Region in Los Angeles before returning to Houston, where he served as Manager of Wholesale Fuels in Marketing and then as General Manager of the Supply Department for Exxon USA; and

WHEREAS, from 1979-82, McMillan served as Senior Vice President of Exxon International in New York City; and

WHEREAS, after serving as Vice President of Esso Europe in London, McMillan returned to Houston as Senior Vice President of Exxon's U.S. Downstream Business, where he was responsible for the engineering work required both in the refineries and in the marketing operation; and

WHEREAS, McMillan's management responsibilities ranged from engineering to research, marketing to manufacturing, and were instrumental in the company's operations in Europe, the U.S., and Africa; and

WHEREAS, in 1990, he was promoted to Executive Vice President of Exxon USA, and then to the position of President, Exxon Coal and Minerals in 1997; and

WHEREAS, Joe has demonstrated a strong commitment to the Samuel Ginn College of Engineering throughout his career, serving as Chairman of the Auburn University Foundation Board of Directors and on the Auburn Alumni Engineering Council; and

WHEREAS, he was recognized by the College in 2004 as an Auburn Distinguished Alumnus for his professional achievements and dedication to the chemical engineering field; and

WHEREAS, Joe and his wife, Billie Carole, have been dedicated benefactors of the College of Engineering through their memberships in the Keystone and Ginn societies, as well as the University's 1856, Petrie and Foy Societies, in addition to being a lifetime member of the Auburn Alumni Association; and

WHEREAS, the McMillans have committed a significant gift to support the educational needs of our students, the research efforts of our faculty and the technological advances of our engineering facilities.

NOW, THEREFORE, be it resolved that the first floor laboratory in Wilmore Engineering Laboratory be named the *McMillan Unit Operations Laboratory* in honor of their generous support and ongoing dedication.

RESOLUTION

REQUEST TO NAME THE ENGINEERING STUDENT ACHIEVEMENT CENTER BEING CONSTRUCTED ON THE CURRENT SITE OF THE L-BUILDING AND SHOPS AS THE BROWN-KOPEL ENGINEERING STUDENT ACHIEVEMENT CENTER

WHEREAS, John Brown and Rosemary Kopel Brown graduated from Auburn University in 1957 with Bachelor's Degrees in Chemical Engineering and Chemistry, respectively; and

WHEREAS, John began his career with Ormet in 1957 before moving to work with rocket propellants at Thiokol in 1961; and

WHEREAS, John worked with Squibb before taking over as President of Edward Weck & Company; and

WHEREAS, his success at Weck eventually led him to Stryker as its President, CEO and Chairman of the Board, where he took the company public in just two years, while also increasing revenue from \$17 million in 1976 to more than \$9 billion annually; and

WHEREAS, Rosemary began her career as a mathematics teacher, a position she held for nearly 30 years before she retired; and

WHEREAS, John and Rosemary have demonstrated a strong commitment to Auburn University and the Samuel Ginn College of Engineering throughout their careers; and

WHEREAS, in addition to his professional achievements, John is an inductee in the State of Alabama Engineering Hall of Fame; a recipient of the Auburn Alumni Association's Lifetime Achievement Award; an inductee into Auburn University's Entrepreneur Hall of Fame; an honorary law degree recipient from both Freed-Hardeman University and Kalamazoo College; and the inaugural recipient of the AdvaMed Lifetime Achievement Award; and also has been recognized by the College of Engineering as a Distinguished Auburn Engineer; and

WHEREAS, the Browns have remained committed to Auburn University, establishing scholarships in Engineering, Sciences and Mathematics, and Veterinary Medicine, and endowing an Eminent Scholar Chair in the Department of Chemical Engineering; and

WHEREAS, they have been dedicated benefactors of the College of Engineering through their memberships in the Ginn and Eagles Societies, as well as the University's 1856 and Foy Societies; and

WHEREAS, the Browns have committed a significant gift to support the educational needs of our students, the research efforts of our faculty, and the technological advances of our engineering facilities.

NOW, THEREFORE, be it resolved that the engineering student achievement center being constructed on the current site of the L-Building and Shops be named the *Brown-Kopel Engineering Student Achievement Center* in recognition of their generous support and extraordinary dedication to Auburn University.

There being no other items for discussion, President Pro Tempore McCrary recessed the meeting at 11:55 a.m.

Grant Davis

Secretary to the Board of Trustees
