The 2024 Azalea Society of America's Convention, hosted by the Alabamense Chapter, will be on Tuesday April 2 through Thursday April 4 in Auburn, Alabama. These dates should be peak bloom time for many deciduous and evergreen azaleas.

The event will be action-packed with field trips, speakers, a photo contest, and a plant sale. Except for an hour-long bus ride to/from Callaway Gardens on Thursday, there will only be a small amount of driving time.
