

ASEF 2027 Sponsorship

Alabama Science and Engineering Fair

WHY SPONSOR?

ASEF brings together the top science and engineering students from across Alabama for a one day, in-person event to showcase their independent research on a Saturday in April at the ACLC Building at Auburn University.

Attendees include: 200+ students: Junior Division (6-8 grade) & Senior Division (9-12 grade) and their families, 175+ volunteer judges, and 35+ STEM Expo exhibitors.

ASEF gives over \$30,000 in awards and prizes to students, including sending 4 finalists and 3 teachers to attend the Regeneron International Science and Engineering Fair (ISEF) each May.

Our goal with your sponsorship is to cover event fees and be able to send more Alabama High School students and teachers to Regeneron ISEF.

SPONSORSHIPS	<i>Exclusive Platinum Sponsor (\$25,000+)</i>	<i>Gold Sponsor (\$10,000+)</i>	<i>Silver Sponsor (\$5,000+)</i>	<i>Bronze Sponsor (\$1,000+)</i>
