

Set up text notifications for OIT Status messages

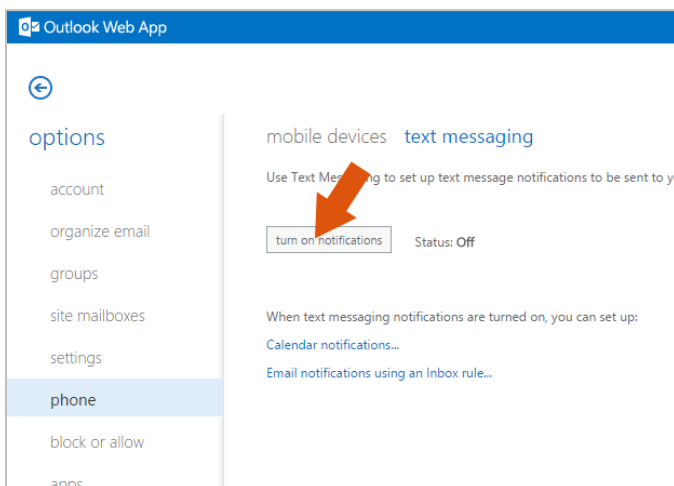

1. Log into **cas.auburn.edu**
2. Go to **Settings > Options**

3. Choose **phone** and make sure your phone is listed on the right side. Then click **text messaging**.

4. Press the **turn on notifications** button.

5. When presented with a new pop-up, select **United States** and **Verizon Wireless** and then press **Next**.

text messaging

Choose the locale and mobile operator for your mobile phone.

Locale:
United States

Mobile operator:
Verizon Wireless

[I don't see my locale or mobile operator...](#)

next cancel

6. Enter your cell number and press **next**.

text messaging

A passcode will be sent to your phone in a text message. Normal messaging rates will apply.

Enter your phone number and click Next.

+1 3347503081

back next cancel

7. Retrieve the passcode you were sent via a text, input that code and press **finish**.

text messaging

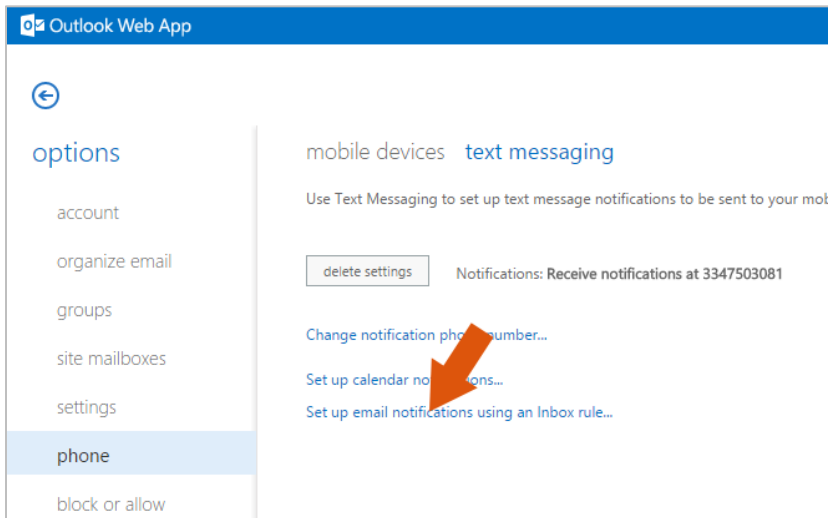

A passcode has been sent to your mobile phone in a text message. Enter that code below, and then click Finish.

Passcode:
237659

[I didn't receive a passcode and need it sent again...](#)

back finish cancel

8. Back on the text messaging screen, click **Set up email notifications using an Inbox rule...**

9. In the pop-up window, create a name for the rule, select **It was sent to...**, choose **'OIT Status'** and press **ok** on the address book pop-up, select **Send a text message to...**, choose your cell number, and press **save**.
