

Dear Friend:

We are pleased to share that the 5th annual Camp iCare®, will take place from July 7-10, 2014. Through this experience, we seek to teach children basic “money smarts” and how to be philanthropically engaged.

The tuition for Camp iCare® is \$140 “Early Bird” and \$160 after February 14, 2014 per camper registered. Please see the enclosed information which outlines the curriculum and activities of Camp iCare®. In addition, you will find some camp basics and forms that must be signed. *Camper registration is on a first come-first served basis and will be accepted until June 13, 2014. There are a limited number of places for Camp iCare®, so we encourage you to register early.*

In 2009, Camp iCare® began through a joint venture between the College of Human Sciences’ Women’s Philanthropy Board and the Early Learning Center in the Department of Human Development and Family Studies. Today Camp iCare® is a division of the Cary Center for the Advancement of Philanthropy and Nonprofit Studies, an academic center in the College of Human Sciences. Camp iCare®’s unique focus on instilling financial know-how combined with philanthropic responsibility is unparalleled in a university-based, academic philanthropy center.

We are happy to answer any of your questions about Camp iCare® and encourage you to take advantage of this unique opportunity. Please feel free to contact our office at 334-844-3506 for additional details.
