Dear Friend:

The Women's Philanthropy Board has as its core mission to foster independence as financial decision makers and donors, serve as philanthropic role models and enhance leadership skills in aspiring philanthropists. With this in mind, we are pleased to share information about a new joint venture between the College of Human Sciences Women's Philanthropy Board and Auburn University's Early Learning Center in the Department of Human Development and Family Studies.

This summer (July 2010), we will pilot a philanthropy camp for children ages 6-12 called **Camp iCare**. Through this experience, we seek to teach children the basic skills of being money smart and philanthropically engaged. **Camp iCare** will take place in the Early Learning Center – right at the heart of AU's campus – for four mornings from – Monday, July 12 – Thursday, July 15, 2010. Children will have a fun-filled experience as they explore themes of financial and philanthropic stewardship and leadership.

The tuition for **Camp iCare** will be \$150 per camper. Please see the enclosed information which outlines the curriculum and activities of **Camp iCare**. In addition, you will find some camp basics and forms that must be signed. *The deadline to register your camper for Camp iCare 2010 is April 1, 2010.*

We are happy to answer any of your questions about **Camp iCare** and encourage you to take advantage of this unique opportunity. Please feel free to contact the Women's Philanthropy Board office at 334-844-9199 for additional details.
