## A Message from Your Associate Dean for Academic Affairs

War Eagle!

On behalf of the College of Human Sciences, I would like to extend a warm welcome to you and your family as we begin Camp War Eagle 2015. The team of academic advisors and staff in the Office of Academic Affairs is here to guide you throughout your academic journey at Auburn University. During Camp War Eagle, the Office of Academic Affairs staff will introduce you to the programs and resources in the College of Human Sciences and assist you in planning your first semester of classes. Our goal is to familiarize you with the College and ensure that you are registered with a full course schedule in order for you to leave Camp War Eagle feeling comfortable and prepared for beginning classes at Auburn this fall.

Being the parent of a college freshman myself, I know this is an exciting time for you and your family. The College of Human Sciences faculty and staff are delighted that you have chosen CHS to be your home away from home, and we look forward to assisting you as you take part in the unique opportunities which lie ahead. The College of Human Sciences is a dynamic learning environment with numerous opportunities for students to get involved, develop their leadership abilities, and connect with the broader world around them. With a small faculty-student ratio and fantastic opportunities for studying abroad, service learning, and undergraduate research, CHS students can often be found experiencing learning outside of the classroom. The College of Human Sciences is privileged to offer a permanent campus in Ariccia, Italy, where many Human Sciences students choose to study abroad for a semester to earn the International Minor in Human Sciences. The College also offers numerous other study abroad opportunities which have included South Africa, Fiji, Peru, London, and Jordan, as well as study/travel opportunities to locations such as New York, Napa, and Chicago.

In the College of Human Sciences, you will experience a warm, friendly, supportive environment where you are treated as a valued student. Human Sciences is a place that will help you grow academically and prepare you for challenging and rewarding careers in the global marketplace. Thank you for choosing the College of Human Sciences, and please feel free to contact the Office of Academic Affairs with any academic advising-related questions you may have now or in the future.

Sincerely,

- **Curriculum Model**
- **Schedule of Department Courses**
- **Schedule Planning Sheet**

You will need to check your Auburn e-mail on a daily basis.

Become familiar with Academic Support Services, the Auburn University Career Center, and other campus resources.

*Get to know your Academic Advisor through regular advising appointments.*

In order to graduate as projected based on your curriculum model, it is imperative that you complete your major course sequences. Do not drop a prerequisite course without clearing it with your advisor.

Maintain a written record of your progress by filling in your curriculum sheet as you complete courses each semester. Maintain an academic file including curriculum sheet and any other documentation.

*Accept responsibility for your academic progress. Be informed and be prepared to take responsibility for your scheduling decisions.*

Contact the Academic Affairs office (334/844-4790) if you are out of class due to an extended illness or other problems which prevent you from attending class. If you are unable to contact your instructors, your advisor will assist you.

REMEMBER that you may not drop classes after mid-semester unless there are extenuating circumstances. Only the CHS

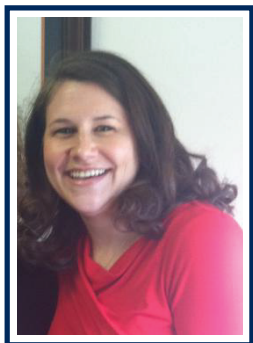

Associate Dean for Academic Affairs can determine if you meet that criteria—not your instructor, you or your parents.

*Stay in contact with your academic advisor via email or in person.*

# **MAJOR- SPECIFIC INFORMATION**

# Major: Hotel and Restaurant Management

The **Hotel and Restaurant Management** curriculum is designed to prepare graduates for careers in the *premium service segment of the hospitality industry*. This focus makes the Auburn HRMT program nationally unique. The HRMT curriculum provides career preparation for hotel management and food and beverage (restaurant) management, including private club management. With its focus on instructional, research and outreach initiatives, the HRMT Program's mission is to educate exceptional leaders for the state of Alabama and global hospitality and tourism industries. We concentrate on service excellence, social and ethical responsibility and diversity in a practically oriented and intellectually challenging learning environment.

The HRMT program, with its focus on premium quality service, has been highly successful since its inception in 1987.
