To receive maximum consideration for need-based scholarships, students should complete the Free Application for Federal Student Aid (FAFSA)*, available online at <https://fasfa.ed.gov/> beginning January 1. The FAFSA must be received by Auburn University by March 1.

**The FAFSA is the only form a student is required to complete to be considered for student assistance from any of the Title IV, HEA programs except for information needed to ensure the student's eligibility for such assistance (e.g., information needed to complete verification or to demonstrate compliance with the student eligibility provisions of the HEA and the regulations). Additional information, if requested, will be listed on the student's Tiger I Financial Aid Requirements page after the student's FAFSA results are received.
