

HDFS Undergraduate Mentoring Program for Graduate School
Mentee Application

Thank you for your interest in the HDFS Undergraduate Mentoring Program for Graduate School. Keep in mind that you do not need to know for sure whether you want to attend graduate school to participate, but to get the most out of the mentoring experience you will need to commit to attend the scheduled meetings for the entire semester. In the two page application that follows, we ask you to tell us something about yourself, your experience, and your interest in the mentoring program. This will help us identify the best mentoring match for you and our mentors. To apply, fully complete this two page application and submit it to Dr. Carol Roberson at 206-A Spidle Hall.
