

Immediate Full-time Job Opening

Equipment Operator / Nursery Technician

Molpus Timberlands Management, LLC is seeking candidates to fill an opening as an Equipment Operator / Nursery Technician at our tree nursery located in Elberta, Alabama.

This is a full-time, hourly position that includes a competitive benefits package. The normal work schedule is 40 hours per week (8 hours per day, Monday thru Friday). However, during certain periods of the year, including times of sowing and shipping overtime may be required.

Job responsibilities include but are not limited to the following:

- **Daily operation and maintenance of a wide range of nursery equipment such as tractors, mowers, sprayers and filters.**
- **Periodic hand weeding as required to maintain nursery crop.**
- **Back pack spraying – calibrating, mixing and applying chemicals to nursery beds.**
- **Servicing and operating a large scale automated irrigation system and troubleshooting when problems occur.**
- **Knowledge of pesticides including the ability to read and understand product labeling.**
- **Calibrating tractor sprayers to apply correct amount of pesticides to crop areas.**
- **Work in field during lifting season, doing both mechanical and manual lifting as required.**
- **Familiar with inventory procedures in calculating crop production numbers.**
- **Periodic cleaning of all nursery facilities such as office, packing shed, cold storage, chemical storage, equipment bays, pumping stations and shop.**
- **Pine cone harvest, tree breeding and routine maintenance at our Seed Orchard area.**
- **Perform other routine tasks as required.**
- **Display willingness to learn new tasks and receive training as deemed appropriate by Nursery Manager.**

Interested parties should respond by sending detailed resume to the address listed below:
