**Alabama License: 13195
Georgia License: 019749**

EDUCATION

July 1995 – June 1996 **Pharmacy Practice Residency**
Shands at the University of Florida
Gainesville, Florida

May 1995 **Doctor of Pharmacy**
With Honors, University of Florida
Gainesville, Florida

April 1990 **Bachelor of Science in Biology**
Cum Laude, Jacksonville University
Jacksonville, Florida

PROFESSIONAL EXPERIENCE

July 2009 – Present **Auburn University Harrison School of Pharmacy
Department of Pharmacy Health Services (PHS)**
Coordinator of Clinical Pharmacy Services, January 2011 – present
Residency Program Director, July 2010 – present
Ambulatory Clinical Pharmacy Specialist, July 2009 – January 2011
Auburn, Alabama
Responsibilities: Direct and manage the clinical services offered through PHS including serving as the primary clinician for the Auburn University Pharmaceutical Care Center (AUPCC). The center serves a primarily employee population for pharmacotherapy management and wellness. I am engaged in consultative services to patients

and area medical providers regarding chronic medication therapy for diseases such as, diabetes, anticoagulation, hypertension, heart disease, hyperlipidemia, tobacco cessation, GERD, Asthma/Allergy, COPD, etc. In addition, the pharmaceutical care center offers wellness screenings, immunizations and medication administration services. I also oversee the clinical services at our second clinic, the SEIB Wellness Center in Montgomery, AL. I am the direct supervisor for a pharmacy clinician, 2 nurse practitioners, 2 clinical nurses, and 4 residents. I am heavily involved in the education and training of P4 student pharmacists and I serve as the Residency Program Director for our PGY-1 Ambulatory Care Pharmacy Residency and a PGY-1 Community Pharmacy Residency.

October 2005 – July 2009

**Auburn University Harrison School of Pharmacy
Department of Pharmacy Practice and Office of
Experiential Learning**

Assistant Clinical Professor and Clinical Director, Early
Experiential Education
Auburn, Alabama

Responsibilities: Provide oversight and clinical guidance to first, second and third year students as well as faculty mentors involved in our community based early experiential education program. Engage in direct patient care and collaborative practice to benefit our community based patients. Educate pharmacy students in both the didactic and experiential settings – **Primary teaching areas were anticoagulation, stroke, heart failure, hypertension, dysrhythmias, dyslipidemia, and diabetes;** Participation on school and university level committees

May 2002 – December 2008

Columbus Regional Healthcare System

Clinical Pharmacy Specialist
Columbus, Georgia

Responsibilities: Serve as part of PRN staff working in the inpatient portion of the medical center: medication order verification, clinical pharmacokinetics, drug monitoring, drug therapy consults, anticoagulation management.

May 2002 – October 2005

Columbus Regional Healthcare System

Clinical Pharmacy Specialist in Ambulatory Care
Columbus, Georgia

Responsibilities: Responsible for development and maintenance of a pharmacy-managed ambulatory care clinic involving coordination of medication assistance and drug therapy management for disease states including diabetes, hypertension, dyslipidemia, and asthma/COPD; Educate and mentor pharmacy students and pharmacy residents in the clinical setting.

Special Appointments:

Member - Residency Advisory Council
Member and Co-Chair - Residency Research Committee
