Citations: 1779 (1030 since 2018); h-index: 23 (17 since 2018); i10-index: 38 (31 since 2018)
(papers with citations >200 = 1; papers over 100 = 4)

PRESENT POSITION:

Associate Professor, Tenured
Health Outcomes Research & Policy (HORP)
National Diabetes Prevention Program (DPP) Lifestyle Coach
Harrison College of Pharmacy (HCOP)
Auburn University (AU)
4306 Walker Building
Auburn University, AL 36849-5506
(334) 844-8301
kavooja@auburn.edu

RESEARCH INTERESTS:

- Person-centered disease management strategies using Motivational Interviewing for health behavior change, particularly in diabetes, cardiovascular disease, obesity
- Prevention focus in Motivational Interviewing communication for adolescent health behaviors, in pre-diabetes, vaccination uptake, and self-management behaviors in type 1 diabetes
- Motivational Interviewing training and assessment, process and outcomes research
- Motivational Interviewing interventions for prescribing according to guidelines and in opioid abuse prevention
- Patient Reported Outcomes research: medication adherence, patient satisfaction, and quality of life in chronic illness, particularly diabetes, obesity, cardiovascular disease
- Psychosocial measure development (patient satisfaction, stage of change, medication adherence)

EDUCATION:

<u>Dates</u>	<u>Degree</u>	<u>Major</u>	<u>Institution</u>
2001	Ph.D.	Social-Behavioral Sciences In Pharmacy Dissertation title: The Relationship Between Stages of Change and Glycemic Control in Patients with Diabetes	School of Pharmacy Auburn University Auburn University, AL
1989	M.B.A.	Marketing & Consumer Behavior	College of Business Auburn University
1985	B.S.	Av. Mgt. (Industrial & Aerospace Engineering)	School of Engineering Auburn University

2018: Completed AADE/CDC Training for Diabetes Prevention Program Lifestyle Coach

ACADEMIC AND PROFESSIONAL HISTORY:

- 01/23 – 12/23 Immediate Past President Association of Diabetes Care & Education Specialists (ADCES)
- 01/22 - 12/22 President, ADCES
- 01/22-12/22 President/Chairman of the Board ADCES Foundation
- 01/21-12/21 President-Elect of ADCES
- 11/18-ongoing DPP Lifestyle Coach, EAMC, DANC CDC-funded DPP Program, Outreach-based instructor/facilitator of pre-diabetes cohort classes
- 10/09-ongoing Associate Professor, Tenured, Health Outcomes Research & Policy Department Harrison School of Pharmacy, Auburn University, Auburn, AL
- 6/06 – 9/09 Assistant Professor, Department of Pharmacy Care Systems Harrison School of Pharmacy, Auburn University, Auburn, AL
- 8/01–6/06 Assistant Professor, Department of Pharmaceutical Systems and Policy, School of Pharmacy, West Virginia University, Morgantown, WV
- 6/93 – 5/01 Graduate Research Assistant, Department of Pharmacy Care Systems, School of Pharmacy, Auburn University, Auburn University, AL
- 6/93 - 5/01 Graduate Teaching Assistant, Department of Pharmacy Care Systems, School of Pharmacy, Auburn University, Auburn University, AL
- 3/99 – 5/01 Co-Instructor, Pharmacy Management (PYPC 465), Department of Pharmacy Care Systems, School of Pharmacy, Auburn University, AL
- 4/89 – 6/93 Faculty Business Consultant/Management Scientist, Small Business Development Center, College of Business, Auburn University, Auburn University, AL
- 4/89 – 6/93 Instructor, Department of Management, College of Business, Auburn University, Auburn University, AL
- 4/89 – 6/93 Project Coordinator for graduate and undergraduate student/client research projects, Small Business Development Center (SBDC), College of Business, Auburn University, Auburn University, AL

ACADEMIC AND PROFESSIONAL HONORS:

- Elected 2021 President-Elect/2022 President for ADCES (formerly AADE)
- Chapter Co-Advisor for the 2018, 2021 & 2023 NCPA Student Chapters of the Year
- Named a Fellow of ADCES, 2020
- Selected as ADCES Chair of the National Practice Survey Research Committee, 2020-2021
- Selected by American Diabetes Association Scientific Sessions leadership to serve as Chair of the Diabetes Education and Professional Education section Research Podium Presentations for the 80th Scientific Sessions, Chicago, IL, June 2020

- Selected as the AADE (now ADCES) official nominee for membership on the US Preventive Services Task Force (nominated, not selected)
- Selected to give the 2018 Engagement Spotlight Faculty Presentation to the Auburn University Faculty Outreach and Engagement Council Meeting for Office of Faculty Engagement, November, 2018
- Elected to 2018/2019 Board of Directors for American Association of Diabetes Educators (AADE)
- Named in 2018 as a Fellow of the American Pharmacists Association (APhA)
- Selected by AACP to serve as the pharmacy education representative on a Robert Wood Johnson Foundation-funded national, interprofessional panel to address obesity treatment and prevention; the panel, supported by former IOM, is tasked with coming to consensus on core competencies to implement across health profession curricula to train future health care providers in talking with patients about obesity prevention and treatment, 2017-2108
- Selected as the HSOP Excellence in Outreach Faculty Award Winner 2016
- Selected as AACP/Wal-Mart Pharmacy Scholar Mentor 2006, 2016, 2017
- Invited as one of three national reviewers by the Alliance for a Healthier Generation for the national Innovations Award for student-led obesity education/intervention programs, 2016, 2017
- Faculty Advisor to the HSOP Script Your Future Adherence Challenge Team that was named a Finalist for the Overall Script Your Future Award, 2016
- Named the 2015 National Community Pharmacists Association Outstanding Adherence Educator Paper in *AIDS Care*: the 3rd most downloaded article in 2015 was Hill S & **Kavookjian J**. Motivational interviewing as a behavioral intervention to increase HAART adherence in patients who are HIV+: A systematic review. *Aids Care* 2012; 24(5): 583-592.
- Invited to serve as expert faculty on the Merck Speakers Bureau for non-branded topics for Relationship Centered Care and Communication (Motivational Interviewing), for Health Literacy, and for Shared Decision-making, 2015 to present
- Invited by CDC/NDEP to lead a 4-member panel of Motivational Interviewing experts in a national webinar for Motivational Interviewing in Diabetes Intervention, May, 2015
- Selected by AACP as a member of the AACP Speakers Bureau and the AACP Consultants Bureau
- Selected by AADE leadership for election slate for AADE Board of Directors, 2015 and 2016
- Third Place, Best Oral Research Presentation. Ekong G, **Kavookjian J**, Hardin A. Preliminary results from a pilot study: Diabetes education in rural Alabama. Auburn University Boshell Diabetes Research Day, February 28, 2014
- Masters Student, Seth Hill (**Kavookjian, Thesis Committee Chair**), selected as one of Auburn University's Top 10 Most Outstanding Masters Degree Students, 2011-2012
- Doctoral Candidate, Michelle Breland (**Kavookjian, Dissertation Co-Chair**), named Fellow of the American Foundation for Pharmaceutical Education (AFPE), 2010
- 2009 Excellence in Assessment Award, American Association of Colleges of Pharmacy- member of award-winning team of five
- Named as a Top Reviewer (top 20 of 200) for Journal of Research in Social and Administrative Pharmacy, 2007
- Paper nominated by the JMCP Editorial Advisory Board for consideration for the 2006 JMCP Award for Excellence. Kalsekar I, Iyer S, Mody R, Rajagopalan R, **Kavookjian J**. Utilization and costs for compliant patients initiating therapy with pioglitazone or rosiglitazone versus insulin in a Medicaid fee-for-service population. *Journal of Managed Care Pharmacy*. 2006. 12(2): 121-129.
- Best Student Poster Paper Award: Sundaram M & **Kavookjian J**. "Quality of life (sf-12), clinical outcomes, and co-morbid conditions in patients with type 2 diabetes: A population study." Annual meeting of the International Society for Pharmacoeconomics & Outcomes Research, Arlington, VA, May 2005

Named as a Top 5% Reviewer for the Journal of Managed Care Pharmacy, 2003
Best Student Poster Paper Award Finalist: Coffindaffer J, Miller K, **Kavookjian J**, Makela G.
Pharmacists' utilization and perceptions of drug interaction program warnings. Annual Meeting
of the International Society of Pharmacoeconomic and Outcomes Research (ISPOR),
Arlington, Virginia, May 2003
Named to Auburn University's Top 10 Most Outstanding Doctoral Candidates, 2001
AFPE/USP Pre-Doctoral Fellow, 1997-1998, 1998-1999, 1999-2000
Auburn University Graduate Research Fellowship, 2001
Named to U.S. Pharmacopoeia Future Leaders in Pharmacy, 1998
Zeta Tau Alpha Graduate Scholarship Award, 1995-1996 and 1997-1998
Auburn University School of Pharmacy Graduate Award Fellowship, 1993-1994

TEACHING EXPERIENCES:

Auburn University (AU) (2006 to present)

Guest MI lectures/trainings (2) to AU Graduate Students (HDFS7670), March 2021
Nutrition (5760/6760) courses (AU) guest lectures (4) for motivational interviewing, 2020-2023
Guest lectures (n=4) in the Nutrition and Fitness classes at Southern Union State CC, Fall 2019
Masters of Social Work (AU) invited guest lecture for motivational interviewing, Spring 2019
Patient Centered Skills (Behavior Theory, Communication Skills), Coordinator & Instructor
Motivational Interviewing Advanced PharmD Elective, Coordinator & Instructor
Pharmacy Management Course, Marketing & Strategic Planning Instructor, Coordinator 2008
Contemporary Aspects of Pharmacy Practice Motivational Interviewing Skills Labs Coordinator
Professional Practice Experience Mentor
Graduate Research Seminar, Coordinator 2010
Advanced Motivational Interviewing Graduate Elective Course, 2010 to Present
Graduate Course: Advanced Research Methods, Coordinator 2007-2009
Graduate Course: Social & Administrative Sciences, Health Behavior Theories & Intervention
Graduate Course: Program Evaluation, 2017
Clinical Psychology Behavioral Medicine Course, Guest Lecture, Motivational Interviewing, 2018
Psychology Graduate Practicum Course, Motivational Interviewing, Guest Lecture 2014
Health Care Administration Finance Course – Guest Lectures 2009
Health Care Administration Intro to Health Administration Course – Guest Lecture 2010

West Virginia University (WVU) School of Pharmacy (2001 – 2006)

Graduate Research Seminar Series: Behavior Sciences and Outcomes Research
Graduate Research Seminar Series: Cochrane Method for Systematic Review of the Literature:
Developing a Manuscript
Behavior Theories in Patient Health Intervention, Graduate Course
Patient Health Education (Behavior Theory, Patient Communication)
Pharmacy Management (Strategic Planning and Marketing)
Pharmacy Systems (Human Resource Management)
Pharmaceutical Care Labs 1, 3, 4 and 5
Pharmaceutical Care Lab 6 Coordinator

Auburn University School of Pharmacy (GTA)

Professional Communication (Guest Lecturer/Lab Coordinator), 2000 - 2001
Pharmacy Operating Systems (Co-Instructor - Marketing), 1999-2000
Pharmacy Operating Systems (Teaching Assistant), 1996 - 1998
Professional Communication (Teaching Assistant), 1995 - 1997

Pharmaceutical Care (Teaching Assistant and Guest Lecturer), 1999
Drug Literature Research & Review (Teaching Assistant), 1993 - 1996
Computer Applications in Health Care (Teaching Assistant, Guest Lecturer), 1993-1997

Auburn University College of Business

Marketing Course, Physician Executive MBA Program, Coordinator/Instructor, 2010, 2011, 2012
Business Policies (Market Research, Analysis & Planning; Management) (Co-Instructor), 1990-93
Special Problems, Department of Management, Instructor, 1992
Hotel & Restaurant Management, Guest Lecturer -Marketing, 1991-92
Family & Child Development Child Care Business Class, Guest Lecturer-Marketing, 1992

Thesis and Dissertation Committees

Doctoral Dissertation Committee Chair, Robert Alongi, ongoing (AU)
Doctoral Dissertation Committee Member, Cassidi McDaniel, defended Summer 2023 (AU)
Doctoral Dissertation Committee Member, Yi Zhao, HORP, defended Summer 2023 (AU)
Doctoral Dissertation Outside Reader, Melissa Miller of Clinical Psychology, Summer 2023 (AU)
Doctoral Dissertation Committee Member, Margaret Young of Clinical Psychology, "Post-traumatic stress symptoms and growth in patients and their caregivers following pediatric solid organ transplant," defended Summer 2022 (AU)
Doctoral Dissertation Outside Reader, Eric Crosby of Clinical Psychology, Summer 2022(AU)
Doctoral Dissertation Committee Member, Darby Winkler of Kinesiology, "Motivational Interviewing Impact on Cardiac Rehabilitation Program Outcomes," defended Nov 2022 (AU)
Doctoral Dissertation Committee Member, Kameron Suire of Kinesiology, "Motivational Interviewing Intervention for Exercise in College Students," defended, May 2021 (AU)
Doctoral Dissertation Outside Reader, Scott Wagoner of Clinical Psychology, "Changing disease knowledge, self-efficacy, and adherence in transition-aged youth with inflammatory bowel disease: The impact of a telehealth coaching intervention," defended, June 2020 (AU)
Doctoral Dissertation Outside Reader, Megan Schaefer of Clinical Psychology, "Healing the hearts of bereaved caregivers: The impact of legacy artwork on grief in caregivers whose children died of cancer," defended June, 2019 (AU)
Doctoral Dissertation Committee Chair, Gladys Ekong*, "Motivational Interviewing in Diabetes Medication Adherence," defended July, 2018 (AU)
Doctoral Dissertation Committee Co-Chair, Michelle Breland*, "Pharmacists Self-Report of Counseling Patients with Depression," defended June, 2011 (AU)
Doctoral Dissertation Committee Chair, Tatjana Petrova*, "Developing and Validating a Motivational Interviewing Assessment Instrument," defended April, 2011 (AU)
Doctoral Dissertation Committee Chair, Linda Byrd, "The Relationship Between Electronic Medical Information Systems, Intermediate Benefits, and Firm Performance," defended November, 2009 (AU)
Doctoral Dissertation Committee Member, Abhishek Krishna Pillai, "Validating a Two Dimensional Theory of Motivational Interviewing," defended April, 2012 (AU)
Doctoral Dissertation Committee Member, Andrea Pflanzgraf*, "Physician Prescribing Behavior and Factors Related to Antidepressant Prescribing for Children and Adolescents with Major Depressive Disorder," defended January, 2009 (WVU)
Doctoral Dissertation Committee Member, Vivek Pawar, "Physician Use of and Patient Perceptions of Quality of Life Measures for Patients with Multiple Sclerosis," defended November, 2006 (WVU)

- Doctoral Dissertation Committee Member, Mariam Hassan, “Evaluating Medication Utilization Patterns and Healthcare Outcomes in Schizophrenic and BiPolar Patients on Atypical Antipsychotic Medications,” defended July, 2005 (WVU)
- Doctoral Dissertation Committee Member, Khalid Kamal*, “Economic Evaluation of Tumor Necrosis Factor Inhibitors in Patients with Active Rheumatoid Arthritis,” defended July, 2005 (WVU)
- Masters Thesis Committee Member, Amie Hardin (Nutrition and Food Sciences), “Effectiveness of Medical Nutrition Therapy Provided by Registered Dietitians on Diabetes Outcomes,” defended, March, 2017 (AU)
- Masters Thesis Committee Chair, Seth Hill, “The Effect of Daily Pill Burden on the Time to Discontinuation of Initial HAART Regimens,” defended, November, 2012 (AU)
- Masters Thesis Committee Member, Abhishek Pillai Krishna, “Assessing Skills for Empathy in Motivational Interviewing Healthcare Professional Trainees,” defended March, 2010 (AU)
- Masters Thesis Committee Chair, Rahul Khanna. “Physician Intention to Measure BMI in Overweight/Obese Pediatric and Adolescent Patients: A Theory of Planned Behavior Model,” defended April, 2007 (WVU)
- Masters Thesis Committee Chair, Murali Sundaram, “Quality of Life and Clinical Outcomes in Type 2 Diabetes Patients at the Primary Care Clinics of the West Virginia University Hospital,” defended April, 2005 (WVU)
- Masters Thesis Committee Chair, Siddhesh Kamat, “Validating a Measure Comparing Physician Readiness to Prescribe Beta Blockers, ACE Inhibitors, and Aspirin Therapy to Post-Myocardial Infarction Patients,” defended October, 2003 (WVU)
- Honors College Senior Thesis Committee Chair/Advisor, Patrick Llewellyn, “Motivational Interviewing Content in Curricula of US Health Professions Schools: A National Survey,” successfully completed May, 2010 (AU)
- *Faculty members/administrators at US schools/colleges of pharmacy (Western New England, Wyoming, Chicago State, Duquesne, and Duquesne, respectively)

RESEARCH ACTIVITIES:

Grants, Contracts, Proposed Gifts Funded or Under Review

Title: Program Evaluation for ADPH Department of Diabetes and Hypertension
Agency: Alabama Department of Public Health (ADPH)
Amount: \$35,020, funded and ongoing
Role/Date: **Principal Investigator (5%)**, 01/01/2023 – 06/30/2023

Title: A Mixed Methods Approach to Understanding Diabetes Stigma in a Diverse Adolescent Population
Agency: AU Office of Inclusion and Diversity Exploration Grants Program
Amount: \$10,000, funded and ongoing
Role/Date: **Principal Investigator** (H Whitley, C Gamston, J Novak, Co-Is); 05/01/23 – 04/30/25

Title: Exploring Stigma and Person-Reported Outcomes in Youth with T1D Before and After a National Diabetes Conference for Families
Agency: The Children with Diabetes Foundation
Amount: \$5,000, submitted, not funded
Role/Date: **Principal Investigator**, 03/01/2023 – 09/30/2023

Title: Continuing Education (CE) Contract for Pharmacist Motivational Interviewing Training
Agency: MediMergent, LLC
Amount: \$4,500, funded
Role/Date: Contractor, 12/31/2019 – 12/31/2021

Title: Motivational Interviewing Communication Skills Training for Parents of Adolescents with Diabetes: Training Development and Assessment of Parent Perceptions and Outcomes
Agency: Auburn University Competitive Outreach Scholarship Grants Program
Amount: \$26,365, funded and completed
Role/Date: **Principal Investigator (10%)**, 04/01/18–5/31/20

Title: P-MAPP Program, Motivational Interviewing Trained Community Pharmacists and Diabetes Medication Adherence Interventions
Agency: FDA, Medimergent, LLC
Amount: \$1,000,000, ongoing
Role/Date: **Consultant Co-Investigator** (MediMergent, LLC, PI), 02/2019 – 12/2020

Title: Empathy and Burnout in Pharmacy Students
Agency: ASHP Foundation Residency Grants
Amount: \$5,000, funded and ongoing
Role/Date: **Co-Investigator** (O’Barr M, PI), 01/2019 – 07/2020

Title: Readmission Prevention Intervention in Diabetes Patients
Agency: Health Resources and Services Administration (HRSA)
Amount: \$800,000, three-year funding, ongoing
Role/Date: **Consultant** to Reading Hospital (Reading, PA), Motivational Interviewing, 12/01/16–02/28/17 (Phase 1, with Phase 2 TBD)

Title: Pharmacy Quality Ratings: Incorporating the Consumer Perspective
Agency: Community Pharmacy Foundation
Amount: \$80,000, funded and completed
Role/Date: **Co-Principal Investigator (Site PI)**, 11/01/2015-3/31/2017

Title: The Modified Drug Adherence Work-up (M-DRAW) Tool
Agency: Private funding source
Amount: \$41,175, funded and ongoing
Role/Date: Adherence/**Motivational Interviewing Content Expert Consultant**, 01/2016-07/2017

Title: Blue Cross Blue Shield Caring Foundation: Health Behavior Change
Agency: Blue Cross Blue Shield of Alabama
Amount: \$25,000, year 1; \$25,000 renewed for year 2; \$25,000 renewed for year 3
Role/Date: **Principal Investigator**, 06/2013-05/2016

Title: Reaching Out for Better Health (diabetes education)
Agency: American Association of Diabetes Educators Foundation
Amount: \$18,444, funded and completed

- Role/Date: **Co-Principal Investigator**, 02/01/2013-05/01/2014
- Title: Medication adherence in ADD/ADHD students coming away to college: Exploratory study
- Agency: Auburn University Internal Grants Program
- Amount: \$8,000, funded, completed, data analysis ongoing
- Role/Date: **Co-Principal Investigator** w/Wendy Gray, Clinical Psychology, 03/01/14 -02/28/15
- Title: Interdisciplinary Intervention for Cardiovascular Prevention in Diabetes Patients
- Agency: Health Resources and Services Administration (HRSA)
- Amount: \$1,494,000, funded and ongoing
- Role/Date: **Consultant** to Texas Tech University Health Sciences Center, Motivational Interviewing Training and Analysis, 09/01/2014–06/30/2015
- Title: Impact of Training in Motivational Interviewing: Counseling Patients about Colorectal Cancer Screening
- Agency: NIH, National Cancer Institute
- Amount: \$50,000, funded and completed
- Role/Date: **Consultant** to WVU School of Medicine, Motivational Interviewing Training and Assessment, 1/2009-12/2009
- Title: Motivational Interviewing Train the Trainers Program
- Agency: Pfizer Pharmaceuticals, Case Management Society of America
- Amount: \$161,834, funded and completed
- Role/Date: **Co-Principal Investigator**, 1/2007-12/2010
- Title: Use of Midlevel Providers in Diabetes Management
- Agency: NIDDK
- Amount: \$500,000, funded and completed
- Role/Date: **Consultant (Training of Providers in Motivational Interviewing Behavior Interventions, Stage of Change Measures and Analysis)**
PI: Patricia Coon, M.D., Executive Medical Director, Deaconess Billings Clinic
- Title: A Retrospective Analysis of the Impact of Oral Diabetes Medications and Insulin on Cardiovascular Outcomes using West Virginia Medicaid Claims Data
- Agency: Takeda Pharmaceuticals, Inc.
- Amount: \$33,349; funded and completed
- Role/Date: **Principal Investigator**, 1/1/2004-6/30/2004
- Title: Developing a Tool for Assessing Physician Readiness to Adhere with Clinical Practice Guidelines for Treatment of Myocardial Infarction Patients
- Agency: West Virginia University Senate Research Grant
- Amount: \$11,584; funded and completed
- Role/Date: **Principal Investigator**, 7/1/2002-6/30/2003
- Title: West Virginia University Diabetes Institute
- Agency: International Diabetes Center, Novartis
- Amount: \$60,000 development grant, funded and completed
- Role/Date: **Co-Investigator**, 2/1/2003-6/30/2004

Title: Accessible Intelligent Medications Strategies (AIMS): An Academic Detailing Pilot Program for Intervention with Physicians to Enhance Pharmaceutical Use in West Virginia
Agency: West Virginia Public Employees Insurance Agency
Amount: \$428,099 per year for 2 years, funded and completed
Role/Date: **Co-Investigator**, Communication Skills Training Coordinator, 6/1/2002-5/30/2005

Grants and Contracts Submitted and Not Funded

Title: Piloting a Web-based Intervention for Family Members of Individuals with Type 2 Diabetes
Agency: CDTR Pilot Projects
Amount: \$40,000
Role/Date: **Co-Investigator** (Novak, PI) 2021

Title: A Pragmatic Trial of Health Information Technology-assisted Patient-centered Diabetes Care in Federally Qualified Health Centers
Agency: NIDDI: DK20-015 (1R01DK127949-01)
Amount: \$2,202,914, not funded
Role/Date: **Co-Investigator** (Chou, PI), 12/01/2020 – 11/30/2024

Title: A Pragmatic Trial of Health Information Technology-assisted Patient-centered Diabetes Care in Federally Qualified Health Centers
Agency: NIDDK: PAR-18-925, 18
Amount: \$2,758,269, not discussed, not funded
Role/Date: **Co-Investigator** (Chou, PI), 12/01/2020-11/30-2025

Title: Informing the Development of Patient-Centered Pharmacy Quality Ratings
Agency: Agency for Healthcare Research and Quality (AHRQ)
Amount: \$1,965,335 total costs; not funded
Role/Date: **Co-Investigator** (Warholak T, PI), 12/01/2019–11/30/2024

Title: Personality-based Risk for Substance Use Problems in First and Second Year College Students
Agency: Auburn University Presidential Awards for Interdisciplinary Research (PAIR I)
Amount: \$299,867, not funded
Role/Date: **Co-Investigator**, 06/01/18–05/31/21

Title: Deep South Mentored Career Development K12 in Patient Centered Outcomes within Learning Health Systems
Partners: UAB (PI K. Saag and M. Mugavero), Auburn (PI R. Hansen), Tulane (PI L. Shi)
Agency: <https://grants.nih.gov/grants/guide/rfa-files/RFA-HS-17-012.html>
Total Budget: \$3,773,653, not funded
Auburn Budget: \$1,073,404
Role/Date: **Co-Investigator**, 07/01/18–06/30/23

Title: Shared Decision Making and Motivational Interviewing: Using Preferences, Perceptions and Judgments to Develop a Tailored Tool Set for Providers to use in

- Treatment Decision-Making Encounters with Black Type 2 Diabetes Patients in Rural Alabama
Amount: \$80,000, invited but not funded due to shift in research emphasis
Agency: A pharmaceutical company
Role/Date: **Principal Investigator**, 6/1/2014–8/31/2015
- Title: Fostering Medication Adherence, Knowledge, and Self-Care Using Motivational Interviewing in Adults 65 and Older with Heart Failure
Amount: \$433,458, not funded
Agency: NIH
Role/Date: **Consultant Investigator**, Purdue University Schools of Nursing and Pharmacy, Motivational Interviewing Training, Intervention Fidelity Analysis, 9/2014-8/2017
- Title: Pharmacist Hypertension and Results Management in Type 2 Diabetes (PHaRMT2D)
Amount: \$572,262, re-submission not funded
Agency: American Diabetes Association, Clinical/Translational Science Award Program
Role/Date: **Principal Investigator**, 1/1/2013-12/31/2015
- Title: Motivational Interviewing Outreach Training
Amount: \$48,564, not funded
Agency: Auburn University Outreach Grant
Role/Date: **Co-Investigator (5%)**, 5/1/2012-4/30/2013
- Title: Cardiovascular Connections for Community Intervention to Prevent Hospital Readmission
Amount: \$75,000, not funded, re-submitted and not funded
Agency: A pharmaceutical company
Role/Date: **Co-Investigator**, 1/01/11-12/31/11
- Title: Impact of Pharmacist Motivational Interviewing Intervention on Outcomes in Hypertension Patients: A Randomized Controlled Trial
Amount: \$100,803 (\$87,655 Direct Costs), not funded
Agency: National Association of Chain Drug Stores Foundation
Role/Date: **Principal Investigator**, 9/30/2010-3/31/2012.
- Title: Cancer Prevention Rx: Motivational Interviewing Training for Pharmacy Students
Amount: \$1,500,000, scored but not funded
Agency: NIH, National Cancer Institute
Role/Date: **Principal Investigator for AU site**, 7/1/2009– 6/30/2014
- Title: Adherence and Self-care Behaviors in HIV+ African American Women
Amount: \$50,000, not funded
Agency: American Nursing Foundation
Role/Date: **Co-Investigator**, 12/1/2008-11/30/2009
- Title: Anti-depressant-induced Apathy and Quality of Life: A Pilot Study
Amount: \$75,000, not funded
Agency: A pharmaceutical company

Role/Date: **Co-Investigator**, 12/1/2005-11/30/2006

Title: Primary Prevention and Control of Diabetes through Churches

Amount: \$1,563,256, not funded

Agency: NIH

Role/Date: **Co-Investigator**, 12/1/2005-11/30/2009

Title: Stage of Change Tailored Messages, Wise Woman Project, Diabetes Intervention

Amount: \$149,708, approved but not funded

Agency: NIH, (HHS Office of Women's Health)

Role/Date: **Co-Investigator**, 01/01/2006-12/31/2006

Title: Provider Rapid Assessment Tool Study (PRATS): Development and evaluation of a stage of change chart reminder: physicians to counsel patients on physical activity

Amount: \$232,539, not funded

Agency: Centers for Disease Control and Prevention, SIP 8

Role/Date: **Principal Investigator**, 9/30/2004-9/30/2006

Title: Development and Evaluation of a Community Pharmacy-Based Diabetes Disease Management Pilot Program for Patients of the West Virginia Public Employees Insurance Agency

Amount: \$151,030; not funded

Agency: West Virginia Public Employees Insurance Agency

Role/Date: **Principal Investigator**, 1/1/2004-12/31/2004

Title: Planning a Systems-based Risk Management Utility: Transforming Healthcare Quality through Information Technology Planning Grants Program (RFA-HS-04-010):

Amount: \$188,751, not funded

Agency: Agency for Healthcare Research and Quality

Role/Date: **Co- Principal Investigator**, 10/1/2004-9/30/2005

Title: Readiness to Change Model Applied to Physician Guideline Adherence

Amount: \$452,218 direct costs, \$208,021 indirect costs; not funded

Agency: NIH, National Heart, Lung, and Blood Institute, #R01 HL70797-01

Role/Date: **Principal Investigator**, 7/1/2004-6/30/2007

Self-Funded Research Projects

Title: Development and pilot-testing of a measure of patient satisfaction with National Diabetes Prevention Program classes

Role/Date: **Principal Investigator**, 11/ 2019 to the present

Title: Motivational Interviewing training outcomes for practitioners across health professions

Role/Date: Principal Investigator, 03/2019 to the present

Title: Development of MI conversation prompts for medication adherence encounters

Role/Date: **Principal Investigator**, 08/2017 to the present

- Title: Patient Attrition in Diabetes Education Classes: An Exploratory Study
Role/Date: **Co-Principal Investigator** with Dr. Caralise Hunt, Nursing, 03/2015-06/2016
- Title: Patient Satisfaction with Pharmacy Practice Experience Program and Student Visits
Role/Date: **Principal Investigator**, 12/2014-12/2015
- Title: Medication Adherence and Depressive Symptoms in Pharmacy Program Patients
Role/Date: **Principal Investigator**, 12/ 2014-12/2015
- Title: Patient Satisfaction with Diabetes Education
Role/Date: **Principal Investigator**, 6/2014-12/2015
- Title: Motivational Interviewing Curriculum Content in US Health Professions Schools
Role/Date: **Principal Investigator**, 1/2010-8/2011
- Title: Quality of Life, Psychosocial Factors, and Clinical Indicators among Diabetes Patients
Role/Date: **Principal Investigator**, 7/15/2003-7/15/2006
- Title: Stage of Readiness, Coping Style, and Depression among Diabetes Patients
Role/Date: **Principal Investigator**, 7/15/2003-7/1/2006
- Title: Physician Practice Behaviors with Overweight and Obese Pediatric and Adolescent Patients: Stage of Change for Tracking BMI and Counseling for Physical Activity
Role/Date: **Principal Investigator**, 8/1/2005-8/31/2007
- Title: Over-the-counter brand recognition among pharmacy students
Role/Date: **Co-Investigator**, 9/2003-6/2005
- Title: Pharmacist perceptions of and attitudes about the impact on community pharmacy practice of new HIPAA compliance regulations
Role/Date: **Principal Investigator**, 5/15/2003-6/15/2004
- Title: Management course content & structure among U.S. Schools of Pharmacy
Role/Date: **Principal Investigator**, 9/2003–6/2004

PROFESSIONAL ACTIVITIES:

Opening address at Identify-Configure-Collaborate Thought Leader Summit, Chicago, IL, December 2022

Quarterly update presentations to the Certification Board for Diabetes Care and Education (CBDCE); February, May, August, and November 2022

Invited by embeta to NASDAQ Opening Bell Ceremony in Times Square, NYC, for Diabetes Awareness Month and World Diabetes Day, November 1, 2022

Invited Keynote Address: Current and Emerging Trends in Diabetes Self-Management Education/Training and Support. Annual joint meeting of the Philippine Association of Diabetes Educators and the Association of Diabetes Nurse Educators of the Philippines. Virtual, August 2022.

Keynote President's Address at ADCES22 General Session; Baltimore, MD, August 2022

Opening address at the Diabetes and Cardiometabolic Thought Leaders Summit, Baltimore, MD, August 2022

Board (ADCES) Liaison to the Alabama Diabetes Coordinating Body; 2021, 2022, 2023

Keynote address at ADCES21 General Session; Positioning the value of your specialty by what you say and do. ADCES 21 (virtual). 08/2021

Moderator for 7 research presentations for the ADCES20 annual meeting.

Achieved CDC/AADE Diabetes Prevention Program (DPP) Lifestyle Coach certification in October 2018 and began serving on an outreach basis with EAMC DANC's DPP, providing patient education for health behavior change goal setting and MI-based problem-solving

WORK EXPERIENCE:

Assistant to Associate Professor with Tenure (current)

June 2006 – Present

Health Outcomes Research & Policy Department (formerly Pharmacy Care Systems), Harrison School of Pharmacy, Auburn University

Responsibilities: Serving as instructor and/or coordinator for graduate and professional curriculum courses; includes development of course objectives, content, presentations, active learning exercises, evaluations; direction of graduate students and senior professional students in their academic and research pursuits. Responsibilities also include initiation, coordination, and participation in practice based research and funding opportunities. Primary PharmD courses: Pharmacy Management (Marketing and Strategic Planning); Communication Skills Course, Motivational Interviewing elective; primary graduate courses: Advanced Research Methods, Graduate Research Seminar, Social/Behavioral Theories, and Motivational Interviewing Elective graduate course

Adjunct Faculty, AU College of Business

January 2010 – May 2012

Physicians Executive MBA (PEMBA) Program, College of Business, Auburn University

Responsibilities: Coordinator and Instructor for the Marketing and Consumer Behavior course in the PEMBA program (national top 5 PEMBA program) for three (3) years. Developed and delivered course including lectures/assignments for in-residency portion of the course and maintained on-line/distance assignments/discussions/case analyses for post-residency period. Physicians in the course ranged from across US and PR, and from across specialties/practice types. They conducted market demand analysis and developed a strategic marketing plan for actual or hypothetical practice or consulting business; Spring 2010, 2011, 2012.

Assistant Professor, WVU School of Pharmacy

August 2001 – June 2006

Department of Pharmaceutical Systems and Policy, West Virginia University School of Pharmacy
Responsibilities: Serving as coordinator or co-instructor for graduate and professional curriculum courses; this includes development of course objectives, content, presentations, active learning exercises, evaluations; direction of graduate students and senior professional students in their academic and research pursuits. Responsibilities also include initiation of and participation in research projects relevant to the departmental mission of outcomes research, with an emphasis in patient health outcomes, behavioral intervention outcomes, and health services outcomes related to chronic illnesses. Primary PharmD Courses: Pharmacy Management (Marketing & Strategic Planning, Human Resources Management), Communication Skills (Behavior Theory, Communicating with Patients and Physicians); Primary Graduate Courses: Behavior Theory and Outcomes Research.

Co-Instructor, Pharmacy Operations Course, AU School of Pharmacy

March 1999 – May 2001

Department of Pharmacy Care Systems, Auburn University School of Pharmacy
Responsibilities: Revised Pharmacy Management course design to include updated content and cooperative learning activities while remaining within curriculum guidelines. Developed lectures in accordance with learning objectives. Developed student projects; prepared and evaluated examinations. Primary teaching focus: Marketing, Strategic Planning.

Graduate Research Assistant/Graduate Teaching Assistant

June 1993 – May 2001

Department of Pharmacy Care Systems, Auburn University School of Pharmacy
Responsibilities: Assistance in the development, implementation and analysis of management strategies survey of hospital administrators; Coordinator for the Institute on the Evaluation of Pharmacy Automation; Assistant Coordinator for VHA Advanced Practice Institute; Assistant to the Training Coordinator, Eckerd Chain Pharmacy of the Future project; Assistant to the Facilities Design Coordinator, Chain Pharmacy of the Future project (collected customer wait times via observation method); Conducted the market research for ScriptPro automated dispensing machine; Project Director, The Transtheoretical Model and Prediction of Self-management among Diabetes Patients; Project Director, Exploratory Research: The Role of Temptation and Decisional Balance in Self-Management of Diabetes. In addition, teaching assistant responsibilities include assistance to the professor in the teaching and evaluating of undergraduate pharmacy students in their course work, developing lectures and testing materials, holding office hours to address student concerns.

College of Business Faculty Consultant/Management Scientist; Marketing and Strategic Planning Specialization

April 1989 – June 1993

Small Business Development Center (SBDC), College of Business, Auburn University
Responsibilities: Provided management and technical consulting (marketing, business planning and strategy, budgeting, financing ventures, personnel relations and policies, feasibility studies, new product development and marketing) to business clients approaching the College of Business for services. Managed and directed over 95 teams of four to five researchers in the completion of research methodologies for projects developing marketing plans, feasibility studies, business and budgeting plans, strategic analyses, and personnel audits and policy manuals for various small and large business clients. Developed proposals of

methodology and budget for economic development research projects for communities in East Central Alabama—accepted for Valley, AL and Phenix City, AL. Coordinator responsible for developing and implementing seminars, workshops, and conferences for business owners and/or managers to enhance management skills and increase efficiency of business operations. Served as representative of the College of Business within the business community throughout Alabama, marketing the offerings of the center and the College. Implemented computerized statistical analysis methods to solve business problems, evaluating results, presenting findings in detailed reports and presentations. Served in capacity as assistant to the Center Director in conducting administrative and management responsibilities in the daily operations of the center and during her absence.

Graduate Research Assistant

Spring 1989, September 1986 – June 1987

Auburn Technical Assistance Center, College of Business, Auburn University

Responsibilities: Assisted with the technical aspects of research projects. Developed research methodologies, implemented survey instrument, analyzed results, prepared professional publication and report for the Alabama Department of Aeronautics. In addition, designed and conducted consumer satisfaction survey research for a large Alabama company.
