OFFICE OF THE VICE PRESIDENT  
FOR RESEARCH

# *Auburn University* *Research Week 2013*

- AU Research Week is a partnership between AU – AU Montgomery and other regional institutions to students and faculty together to celebrate, and share research and creative scholarly activity
- Last year over 1000 registered participants, 1200 attendees – including Auburn Connects --over 2000 attendees
- Undergraduate, graduate, and faculty presentations/poster session
- Highlights Auburn Speaks and AUJUS

## Keynote Address

**Peter Kareiva, Ph.D.**

*Chief Scientist & Director,  
Nature Conservancy*

- **VIDEO:** Watch Peter Kareiva's [talk about a "New Environmentalism"](#) as part of the National Academy of Sciences Distinctive Voices program.
- **Peter Kareiva** is chief scientist for The Nature Conservancy. He is responsible for developing and helping to implement science-based conservation throughout the organization and for forging new linkages with partners.
- In May 2011, he was named a member of the National Academy of Sciences for his excellence in original scientific research.
- Peter received a master's of science degree in environmental biology from the University of California, Irvine, and his Ph.D. in ecology and evolutionary biology from Cornell University.
