# *Auburn University*

## *Research Week 2012 & 2013*

- AU Research Week is a partnership between AU –AU at Montgomery and other regional institutions to bring students and faculty together to celebrate, and share research and creative scholarly activity.
- Paula Bobrowski and her committee took a huge leadership role.
- Between 1000 and 2000 participants per year.
- Undergraduate, graduate and faculty efforts showcased.
- Auburn Speaks and AUJUS introduced/highlighted.
- Galas well-attended.
- Participation of Research Advisory Board.

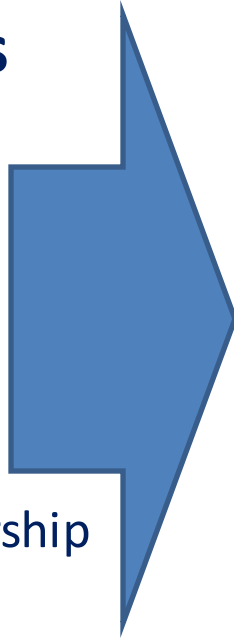

# *Auburn University*

## *Research Week 2014*

- Integrating research/creative scholarly activity across stakeholders
- Promoting community engagement
- Inviting Tuskegee, ASU, Morehouse, Spelman...
- Employing new communication vehicles and methods
- Continuing to visit with all constituencies to look at successes and areas to improve.
- Recruiting Tool: Undergraduate, Graduate, HBCU's; Participation of Bridge Program students
- Increasing sponsorships to help continue what we hope will become an Auburn tradition.
