Parking Services  
Auburn University

November 18, 2024

# License Plate Recognition

- No permits will be issued for A, B, C, all PC zone and all R zone registrations. You will be registering the license plate information for the vehicle and assigned a zone where you will be able to park.
- Important to notify the Parking Services Office of changes in vehicles or changes in license plate information.
- How it works!
- \$20 charge for the registration of more than two vehicles
- New rule concerning pulling through or backing into spaces

## Mell Street Closing

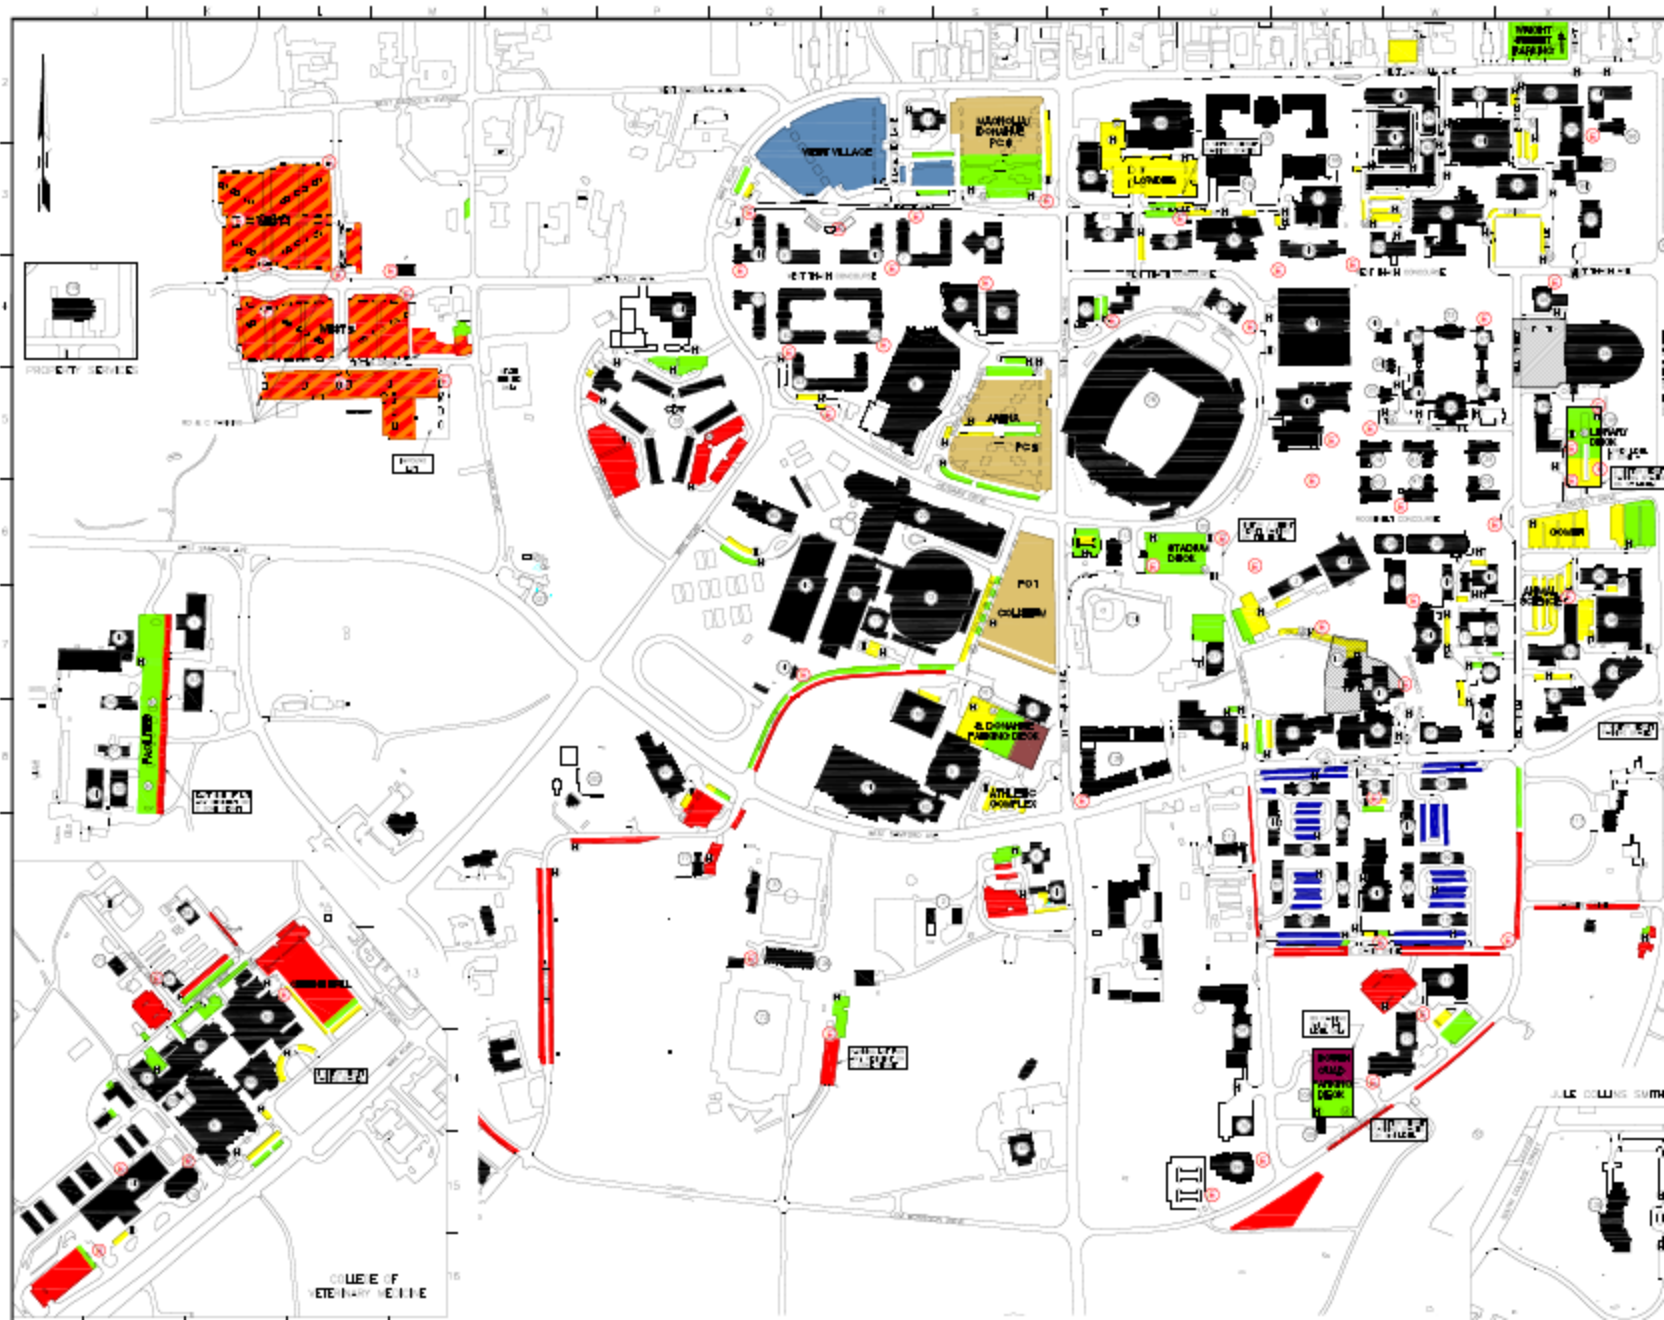

- Mell Street from Thach Avenue to Library Drive will be closed starting in July and will remain closed for 18 months.
- Because of the anticipated pedestrian traffic in that area, it may remain closed
- Tiger Transit will run all buses on Mell from Roosevelt to Samford, which will increase the north and south bound traffic in that area.

## New Parking Zones

- Visitor/Guest parking on the fourth level of the Stadium Deck, Lowder Lot, Library Deck, College Street Lot, South Quad Parking Deck and Greene Hall by the CVM.
- The row of spaces facing north in the small lot behind AU Public Safety will be changed to B zone.
- The remaining spaces in the small lot behind AU Public Safety will be changed to RW zone.
- The row of spaces facing Heisman Drive in the Arena Lot will be changed to B zone.
- The parallel spaces on the east side of Biggio Drive will be reinstituted and zoned C.
- All of the parking west of Hemlock will be changed from either RO or C to be all RO/C.
- The parking areas in front of and in back of CDV will be changed to C zone.

# Data about 2014-2015 Rule Changes

## Data regarding the changes in ticket fee structure and appeal process

3 tickets – 654
4 or more tickets – 284

### Permit registration with more than 2 vehicles registered – 540

### Permit registration with more than 3 vehicles registered – 127

# Non Conventional Vehicle Registration

- **NON-CONVENTIONAL VEHICLES**
- A non-conventional vehicle is defined as any motorized vehicle, gas or electric powered, that is used to transport people, equipment or other goods. EXAMPLE: Golf carts, ATVs or low-speed vehicles.
- All non-conventional vehicles operated on the Auburn University campus must be registered and display a permit issued by the Parking Services Office. The vehicle model, color and serial number, must be presented when registering the vehicle. The permit must be renewed each year and displayed on the non-conventional vehicle. The cost of the permit is \$20.
- When parking, a non-conventional vehicle must not impede pedestrian or vehicular traffic. Parking of non-conventional vehicles is limited to designated cart parking areas and hard paved surfaces that do not block building entrances. They may not park in a designated parking space, in the roadway or in any tow-away zone as described by the Traffic and Parking Regulations.
- Any non-conventional vehicle that does not either display a current permit or is parked illegally is subject to being ticketed and/or towed at the owners expense. Fines for ticketing non-conventional vehicles are the same as described for conventional vehicles on campus and will be assessed to the department for which the vehicle is registered.
- Non-conventional vehicles shall be used on the Auburn University campus only for authorized University business with registration limited to University departments, contractors, or vendors. Registration and use of personal non-conventional vehicles to individual students, faculty, or staff is expressly prohibited.
- All users of non-conventional vehicles must possess a U.S. driver's license, be at least 18 years of age, have knowledge and comply with the State of Alabama motor vehicles laws, and successfully complete the Golf/Utility Cart and Low Speed Vehicle Safety course through Risk Management and Safety. It is the responsibility of the department to ensure drivers meet these requirements before operating a non-conventional vehicle.

# Gotcha Bike Program

New bicycle sharing program for faculty, staff and students. No cost to the person who uses the bicycle.
