Policy on Military Service Credits

Auburn University awards academic credit for courses that are part of an enrolled student's military training or service, provided that the military training credits accepted are at the collegiate level and have resulted in learning outcomes comparable to those students would achieve through the Auburn University's own instruction. In determining the academic credit to be awarded, Auburn University uses as a guideline the standards and recommendations of the Guide to the Evaluation of Educational Experiences in the Armed Services published by the American Council on Education.
