3.6 million South Carolina tax returns hacked

South Carolina Gov. Nikki Haley, left, and State Law Enforcement Division Chief Mark Keel, center, talk about how a hacker gained access to find 3.6 million tax returns from the Department of Revenue, in Columbia, S.C. on Monday, Oct. 29, 2012. / AP

[More +](#)

CHARLESTON, S.C. | About 3.6 million tax returns from as far back as 1998 were hacked in South Carolina in what experts say is the largest cyber-attack against a state tax agency in the nation.

The World Has Changed

- The Threats Are More Severe
- The Stakes Are Higher
- The Regulatory Environment is Stricter
 - Federal Government
 - 48 State Governments
 - Industry Groups
 - Insurers

Our Response Must Change

- More Effective Tools
- Security By Design

**WE HAVE MET
THE ENEMY
AND HE IS US.**
