

# Current Proposal

- Reviewed and approved by Graduate Council
- Reviewed by and feedback included from NTTF Committee

# Question?

Should Lecturer faculty be permitted to teach Graduate Courses and serve as members of graduate committees?

# Activities

- Serve on Doctoral Committees
- Serve on Master's students  
(Not chair Committees)
- Teach graduate level courses

# Concerns

- Lecturer faculty could be used to replace tenure track positions.
- Lecturer faculty could be compelled to participate
- Lecturer faculty are denied access to graduate program related professional development activities open to all other faculty.

# Best Source of Data?

- Ask the Lecturer Faculty!
- A survey asking these questions was sent out to all 74 Lecturer faculty on campus

# Lecturer Faculty Survey
