ACTIVE SHOOTER RESPONSE TRAINING

Auburn University's Active Shooter Response Training

VS.

Run, Hide, Fight

LOCKDOWN

- Have you ever practiced this?
- What was the code word?
- Did your school or business use cards?

“LOCKDOWN”

- Traditional Lockdown:
 - RECEIVE THE “LOCKDOWN” ORDER
 - LOCK THE DOOR (if they can),
 - TURN THE LIGHTS OFF, and
 - HIDE IN THE CORNER
 - **PLACE A CARD UNDER THE DOOR?**

RESPONSE

- YOUR response –
 - What you have been taught or
 - Natural reactions
- What would the normal person do if they had no previous training?

WHAT IF.....

**You hear a loud noise or
what sounds like an
explosion outside of your
room or office.**

WHAT IF?

A man with a gun walks
in the only door in
this room and starts
shooting at people.

YOU ARE LIKELY TO:

- FREEZE
- PANIC

MOST WOULD LIKELY....

MOST OF YOU MIGHT...

- HIDE UNDER A TABLE OR DESK
- DOES THAT WORK?
- IS THAT ENOUGH?

IS HIDING ENOUGH?

OUR GOALS?

- Stay safe!
- Keep the aggressor away!
- Notify law enforcement!

DIAL 911 IMMEDIATELY!

**EVERY SECOND
COUNTS**

Have a plan!

Make a DECISION!
